

Purpose:

- 1 To establish and implement planning guidelines, standards, and procedures in accordance with Council's Planning and Development Policy 6305-C.

Policy Statement:

- 2 Within the scope of their duties and responsibilities, the General Manager of Development & Protective Services, in consultation with the General Managers of Community Services, and Corporate & Employee Services will:
 - (1) establish planning guidelines, standards and procedures required for orderly development within the city that are consistent with provincial legislation and City bylaws.
 - (2) ensure that such planning guidelines, standards, and procedures are reviewed on an annual basis.
