2014

COMMUNITY AMENITIES REPORT

As The City moved into preparation for the 2015 Capital Budget, Council was presented with a number of questions related to amenities and how to consult with the community in consideration of these questions. Red Deer was in the process of bidding for the 2019 Canada Winter Games which, if successful, would require significant capital investment. The question of aquatics infrastructure came before Council a number of times resulting in multiple resolutions requiring public input. Lastly, Council had set a strategic direction through the Dialogue Charter to move towards a more purposeful and diverse public consultation process.

With these considerations before Council, administration developed a multi-phased process that would capture input from Council, the community and administration. The intent was to assist Council's decision making regarding what amenities should be included in the 2015 Capital Budget and beyond.

PUBLIC CONSULTATION PROCESS

In March 2014, Administration presented a public consultation process to Council that would seek feedback from the public in three distinct phases – a development phase, a prioritization phase and a confirmation phase. Each phase asked the public in different ways and in diverse venues to identify what amenities they would like to see in our community. The process was endorsed by Council on March 14, 2014.

1

DEVELOPMENT

APRIL 12, 2014 - LET'S TALK
PUBLIC ONLINE SURVEY

The first phase of the process began with an amenity list created from items approved in the existing 2014 Capital Budget – Ten Year Capital Plan. This provided an initial list of amenities to examine as the process moved into future phases and the public began providing input to the process. (pages 12 and 13 of the Community Amenities Appendix).

Residents were then invited to attend Let's Talk on April 12, 2014 at Parkland Mall. A visual display was provided to residents and they were asked, "What amenities do you think are missing in our community?" This was an open ended question that provided residents the opportunity to contribute any amenity they thought was missing in the community.

This visual display and question was replicated online through a survey and promoted through The City's website and the local media. The survey was open to resident response from April 12-30, 2014.

Residents also provided input on what geographic quadrant of the city they would like to see these amenities (NE, NW, SE or SW). This information was collated and provided as data on where residents might like to see particular amenities.

Based on resident input both at Let's Talk and online, a list of 135 amenities was compiled including respondent's geographic preference related to each of the amenities. All data from residents was considered. Items such as restaurants, hospitals or schools that are outside the mandate of the municipality were considered out of scope and taken off the list. All other items were included on the list and moved forward to the prioritization phase. (pages 14-72 of the Community Amenities Appendix)

2

PRIORITIZATION

MAY 21, 2014 • BUDGET OPEN HOUSE
PUBLIC ONLINE SURVEY

On May 21, 2014 data gathered in the development phase was presented at the Budget Open House. During this open house the public was invited to prioritize the 135 amenities identified in the previous consultation. Residents could contribute to this process while attending the Budget Open House or participate in the same prioritization process online.

While we asked residents to prioritize the amenities, we also asked them what criteria were important for Council to consider when making amenity related budget decisions. The criteria for consideration at the open house and online were; social investment/ community benefit, economic opportunity, amenity utilization, financial viability, community voice, amenity geography, and development timing. (pages 48, 79-86 of the Community Amenities Appendix)

This information was collected from both the open house and online, compiled and presented to Council.

3

CONFIRMATION

SEPTEMBER 2014 • COUNCIL REVIEW
STATISTICALLY ACCURATE RESIDENT SURVEY

The previous phases gathered data from a variety of sources for City Council's consideration. This included information from the community consultations, recommendations from the Aquatic Ad Hoc Committee, the amenity requirements to host the 2019 Canada Winter Games, the statistically accurate community survey data from Bannister Research and the prioritized decision making criteria. All this information was further filtered to determine an amenity list that reflected the community priorities (community voice) and alignment with the financial (financial viability) and timing (development timing) realities for the 2015 Capital budget and beyond.

Based on Council input and direction, months of research, review and community involvement, The City of Red Deer compiled a list of prioritized community amenities. This list will serve to guide Council as they consider the many factors in their deliberations and development of the 2015 Capital Budget. (pages 73-78 of the Community Amenities Appendix)

THE FILTER APPROACH

COMPILING COMMUNITY FEEDBACK

Once the community participated in Phase 1: Development and Phase 2: Prioritization, the list of amenities was provided to Council. Using the criteria of Social Investment/Community Benefit, Economic Opportunity and Amenity Utilization, Council began to further filter the amenity list.

This completed filtering process, including Council review formed the 'Your Voice' list. (pages 8-10).

Administration was provided the 'Your Voice' list for further review using the criteria of Strategic Alignment, Development Timing and Amenity Geography. This final list formed the administrative recommendation for the 10 Year Capital Plan.

Council will review this plan and over the coming months develop a final priority list for amenities.

RESULTS

After completing the three phases of the community consultation process and Council review, the City of Red Deer compiled the following list of community amenities.

This list provides guidance for future development of a wide range of amenities.

This is your community voice.

YOUR VOICE

When all of the public consultation and Council review was complete and the feedback compiled and analyzed, the following list was developed.

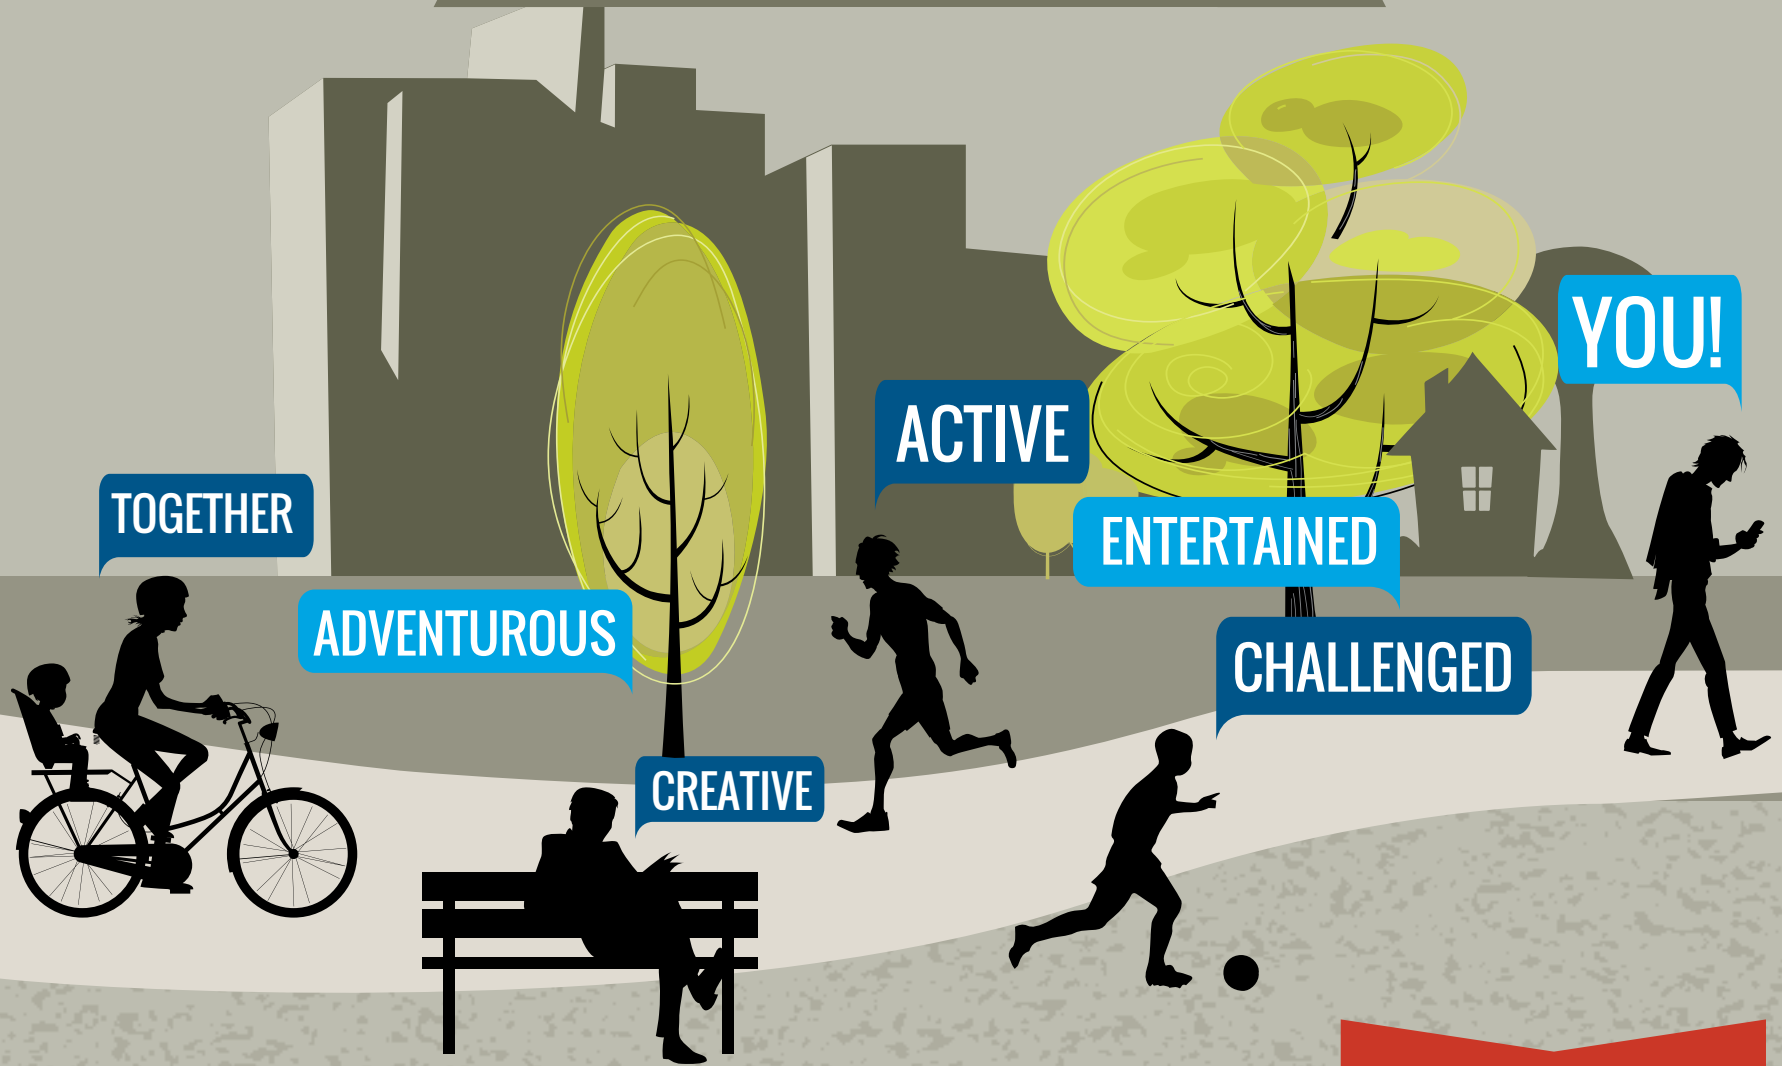

When tallying the numbers the lower the total points value (the last column), the higher the amenity ranks.

AMENITY	PUBLIC COMMUNITY VOICE	SOCIAL INVESTMENT	ECONOMIC OPPORTUNITY	AMENITY UTILIZATION	TOTAL POINTS
More Trails	2	9	15	9	35
Multi-use Aquatic Centre / 50 Meter Pool	1	11	11	12	35

ADMINISTRATIVE COMMUNITY AMENITIES LIST

PRESENTED BY CITY ADMINISTRATION

This draft of the Community Amenities List was created by City Administration and is based on:

1. 10 year Capital Plan
2. Planning Documents
3. Committed Projects
4. Emerging Community Projects

This list is was provided to Red Deer City Council on May 6, 2014 as per the agreed upon amenity process. This list captures existing Amenities that the city has already given consideration to expansion, updating/upgrading or creating. Some projects are further along in planning and priority and where possible this information is noted.

This list was not presented to the public as administration wanted unbiased feedback from the public consultations.

COMMITTED PROJECTS IF SUCCESSFUL WITH THE CANADA WINTER GAMES BID			
PROJECT	DESCRIPTION	GEOGRAPHY	2015 \$ AMOUNT (IN '000'S)
Canyon Ski Hill	Freestyle and snowboard events: hill modifications required to meet the technical requirements for these events. Facility improvements for barrier free access.	NE	1,709
Cultural Legacy Initiative	Amenity to support cultural and heritage events during the events; left as a legacy for future community use.	N/A	1,103
Great Chief Park	Development of a long track outdoor speed skating oval and required amenities.	SW	7,988
Red Deer College Olympic Sized Ice Surface	Contribution towards the construction of an Olympic sized ice venue for short track speed skating.	SW	10,000

LET'S TALK - PUBLIC OPEN HOUSE

SUMMARY OF FEEDBACK

On April 12, 2014 City Administration hosted an open house during the Let's Talk event at Parkland Mall. Red Deerians were asked what type of amenity they would like and what area of the city they would like it to be located. After compiling the feedback, administration aligned the ideas to plans that are already underworks at the City. Some ideas were out of scope or not applicable to this project, however, in the interest of transparency the responses are gathered at the end of this list.

SW

- Normandeau field fixed up as a walking place for families who walk dogs and we have many – keep bugs away [Captured under Waskasoo Park – Dog Off Leash Areas](#)
- Olympic sized swimming pool
[Captured under Multi-Use Aquatic Centre](#)
- Performing arts centre
[Captured under Culture Vision – Performing Arts Theatre/Concert Hall](#)
- Trail connections to communities south, north and west
[Captured under Trails Master Plan](#)
- Meeting rooms
- Family doctors to accept new patients
- Indoor play centre
[Captured under New Recreation Amenity – Indoor Playground](#)
- Bigger skate park
[Captured under New Recreation Amenity – Skate Park](#)
- Huge outdoor music area like Hawrelak Park, Edmonton
[Reflected under New Recreation Amenity – New addition to the list](#)
- A dome like in St. Albert (indoor sports)
[Captured under Collicutt Centre Expansion – additional of dry space](#)
- Outdoor gym (Westlake, Webster Drive, Walker Blvd)
[Reflected under New Recreation Amenity – New addition to the list](#)
- Oval running track with no tight corners
[Reflected under New Recreation Amenity – New addition to the list \(Indoor Running Track\)](#)
- Arena to play hockey
[Captured under G.H. Dawe Community Centre Expansion](#)
- Indoor soccer facility with turf
[Captured under New Recreation Amenity – Indoor Soccer](#)
- More swim lanes
[Captured under Multi-Use Aquatic Centre](#)
- Moonwalkers
[Captured under New Recreation Amenity – Indoor Playground](#)
- Nice size of dance studios (Ages 6-8, 8-10, 10-12, 12-14, 14-16)
[Reflected under New Recreation Amenity – New addition to the list](#)
- Missing “swimming” pools for training and exercising
[Captured under Multi-Use Aquatic Centre](#)
- More bus stops in south
- Indoor family swimming pool
[Captured under Multi-Use Aquatic Centre](#)
- Imax Theatre
[Reflected under New Recreation Amenity – New addition to the list](#)
- Space and science center
[Reflected under New Recreation Amenity – New addition to the list](#)

SE

- Indoor family swimming pool
Captured under Multi-Use Aquatic Centre
- Community gathering space/facility (For music/entertainment)
Reflected under New Recreation Amenity – New addition to the list as enhanced Main Street Concept
- Ikea
- Olive Garden, Red Lobster, Burger King
- Batting cage for baseball
Reflected under New Recreation Amenity – New addition to the list
- Additional hospital (over crowded)
- City wide compost weekly/bi-weekly
- More transit buses
- Park for small dogs
Captured as Waskasoo Park – Dog Off Leash Areas
- Outdoor soccer field
Captured as Sport Field Development – New Sport Field Development
- Additional tennis courts
Reflected under Rotary Recreation Park – Indoor Tennis
- Indoor squash court
Reflected under New Recreation Amenity – Permanent Indoor Squash
- Indoor badminton in Anders area
Reflected under Hazlett Lake Multi-Purpose Leisure Facility or Collicutt Centre Expansion – Dryland Space
- More pirate ship parks
Reflected under New Recreation Amenity – New addition to the list (Playground Space)
- Expanded fitness areas (Indoor at Rec Facility (Collicutt))
Reflected under Collicutt Expansion – Collicutt Centre Expansion
- Twin Collicutt ice rink
Captured as New Recreation Amenity – addition of second ice surface
- Olympic ice rink (RDC)
Captured as Canada Winter Games – Red Deer College Olympic Sized Ice Surface
- Skate park
Captured as New Recreation Amenity – Skate Park
- Wading pool/ spray park
Captured as New Recreation Amenity – Spray Park, North Side
- 50m pool
Captured under Multi-Use Aquatic Centre
- Don't keep increasing property taxes

NE

- Moonwalkers
Captured under New Recreation Amenity – Indoor Playground
- Mini putt
Reflected as a new Recreation Amenity – Mini Golf Centre
- Outdoor gym – Eastview estates
Reflected as a new Recreation Amenity – Outdoor Gyms
- Transit amenity – Find a transit terminal where RD transit, Greyhound and Red Arrow connect directly with a waiting room or similar facility
- Olympic size swimming pool
Captured under Multi-Use Aquatic Centre
- Year round farmers market
Captured as Greater Downtown Action Plan – Artisan Space/Year Round Market Development
- Roller skating rinks downtown
Reflected as a new Recreation Amenity – Indoor Roller Rink
- Community agriculture area
Captured as Environmental Master Plan – Community Gardening Initiative
- Michener north new hospital for central and Red Deer
- Outside gym, Clearview Meadows
Reflected as a new Recreation Amenity – Outdoor Gyms
- Water parks
Captured as a new Recreation Amenity – Spray Park-Northside
- An arena facility – maybe another twin arena
Captured under G.H. Dawe Community Centre Expansion
- Indoor driving range/golf simulator
Reflected as a new Recreation Amenity – Indoor Driving Range
- Parkland instead of housing development at Riverglen
Passed on to Planning Department
- Nature space, keep the trees at 67/30
- Wildlife warning signs
- Baseball diamonds
Captured as Sport Field Development – New Sports Field Development
- Northside regional center of the north side
Captured as New Recreation Amenity – North Red Deer Regional Community Centre
- Mini golf centre
Reflected as a new Recreation Amenity – Mini Golf Centre
- Maintain and improve on what we already have
Captured in multiple as maintenance

NE *(continued)*

- Sports complex
Captured as Hazlett Lake Multi-Purpose Leisure Facility – New Multi-Purpose Leisure Facility
- Sewing centre with good parking
- Aquatic centre
Captured under Multi-Use Aquatic Centre
- Athletic park (Similar to MEGlobal in Lacombe) for football, soccer, baseball etc.
Captured as New Sport Field Development
- Double the size of the SPCA
- New bridge across river (Hwy 11A/30 Ave)
- Indoor roller skate rink
Reflected as New Recreation Amenity – Indoor Roller Rink
- Field house
Captured in Collicutt Centre Expansion or Hazlett Lake Multi-Purpose Leisure Facility
- Dressing up 67 St. between Hwy 2 and Dawe school – plant trees in the median
- Indoor play centre like moonwalkers
Captured as New Recreation Amenity – Indoor Playground
- Enhance and preserve trail system and protection of escapement and wildlife corridor; Waskasoo/Riverglen School lot
Captured as Trails Master Plan and River Valley and Tributaries Area
- Roller skating could be in east end of Parkland mall
Reflected as New Recreation Amenity – Indoor Roller Rink

NW

- Architectural building “feature”
- Year round farmers market
Captured as Greater Downtown Action Plan – Artisan Space/Year Round Market Development
- Outdoor water park
Captured as New Recreation Amenity – Spray Park
- 2nd ice surface at Dawe centre
Captured as G.H. Dawe Community Centre Expansion
- Mini bus terminal at parkland mall

NW *(continued)*

- Indoor tennis or badminton courts
Captured under Hazlett Lake Multi-Purpose Leisure Facility or Rotary Recreation Park
- Roller skating/roller blading indoor floor surfaces
Reflected as new Recreation Amenity – Indoor Roller Rink
- Bigger playgrounds
Reflected as a new Recreation Amenity – New Playground Space
- Additional hockey rink
Captured as G.H. Dawe Community Centre Expansion
- Full time go-cart tracks
Reflected as a New Recreation Amenity – Go-Cart Facility (Indoor/Outdoor)
- 50m indoor pool
Captured under Multi-Use Aquatic Centre
- Have separate garbage collection for compostable and non-compostable
- Leisure centre
Captured under Hazlett Lake Multi-Purpose Leisure Facility
- New concert hall
Captured under Culture Vision – Performing Arts Theatre/Concert Hall
- Indoor market
Captured under Greater Downtown Action Plan – Artisan Space/Year Round Market Development
- New Catholic High School
- Indoor badminton courts
Reflected under Hazlett Lake Multi-Purpose Leisure Facility or Collicutt Centre Expansion – Dryland Space
- More parking at Dawe
- Bigger homeless shelter
- Playground parks
Reflected as a new Recreation Amenity – New Playground Space
- Biking paths
Captured as Trails Master Plan
- Community urban farm
Captured as Environmental Master Plan – Community Gardening Initiative
- More Christian daycares
- New high school
- Decent concert/performance space
Captured as Culture Vision – Performing Arts Theatre/Concert Hall
- Special Olympics facility
Captured as Hazlett Lake Multi-Purpose Leisure Facility

LET'S TALK - PUBLIC OPEN HOUSE

SUMMARY OF FEEDBACK

The following list was gathered during the 'Let's Talk' consultation. These amenity suggestions were deemed to be out of scope for this project as they are outside the mandate of the municipality or the amenities project.

OUT OF SCOPE	QUADRANT
• Family doctors to accept new patients	SW
• More bus stops in south	SW
• Ikea	SE
• Olive Garden, Red Lobster, Burger King	SE
• Additional hospital (over crowded)	SE
• City wide compost weekly/bi-weekly	SE
• More transit buses	SE
• Don't keep increasing property taxes	SE
• Transit amenity – Find a transit terminal where RD transit, Greyhound and Red Arrow connect directly with a waiting room or similar facility	NE
• Michener north new hospital for central and Red Deer	NE
• Nature space, keep the trees at 67/30	NE
• Wildlife warning signs	NE
• Sewing centre with good parking	NE
• Double the size of the SPCA	NE
• New bridge across river (Hwy 11A/30 Ave)	NE
• Dressing up 67 St. between Hwy 2 and Dawe school – plant trees in the median	NE
• Architectural building "feature"	NW
• Mini bus terminal at parkland mall	NW
• Have separate garbage collection for compostable and non-compostable	NW
• New catholic high school	NW
• More parking at Dawe	NW
• Bigger homeless shelter	NW
• More Christian daycares	NW
• New high school	NW

ONLINE SURVEY RESULTS

SUMMARY OF PUBLIC INPUT

From April 12 - 30, 2014 an online survey was available for Red Deerians to express what Amenities they would like to see built in the next 5, 10 and 20 years and in what area of the City they would like to see the development. Some ideas were out of scope or not applicable to this project, however, in the interest of transparency the responses were left in place and greyed out to indicate not applicable status.

During this process the following list of Community Amenities was developed:

INDOOR

Aquatic Centre 50m pool
Badminton Courts
Centre of the Arts Performance Hall
Gym/Fitness Facility
Ice Rink Arena
Indoor Childrens Playground
Indoor Skate Park
Indoor Turf - Soccer Field
Library
Recreation Facility
Running Track / Field House

OUTDOOR

Amphitheater
Baseball Diamonds
Batting Cages
Bicycle Lanes
Boat Docks
Botanical Gardens
Camping Facilities
Children's Park
Cricket Pitch
Discovery Canyon Improvements
Dog Park
Free Style Waterskiing
Graffiti Wall
Green Space Parks
Handball Courts
Horseshoe Courts
Ice Skating Surfaces
Man Made Beach
Mountain Bike Park
Neighbourhood Parks
Public Toilets
Race Track/Drag Strip
Riverbend Golf Course improvements
Skatepark
Skating Rinks
Soccer Fields
Splash Parks
Trails (paved)
Water Park/Amusement Park
Zoo

QUESTION 1:

What community amenities does The City need to develop to serve Red Deer over the next five years?

Responses: 221

Answered Question 221

Skipped Question 9

#	RESPONSE DATE	RESPONSE TEXT
1	Apr 30, 2014 11:28 PM	Public outdoor badminton courts
2	Apr 30, 2014 8:07 PM	"- Community Association Art Wall - Outdoor Handball Courts - - Cricket Pitch"
3	Apr 30, 2014 4:40 PM	Improve Discovery Canyon and Rec amenities
4	Apr 30, 2014 4:36 PM	My concern is the Riverbend Golf course I have lived in Red Deer for 32 years and have golfed there for many years and have seen the cost increase steadily. Upon questioning the Manager I was given a few surprise facts like this is a City facility but yet they pay their own taxes, utilities, and most of the capital expenditures are expected to be paid by the golfer and their fees. None of the other City Rec facilities are expected to do that so why the golf course? Golfer also are expected to pay for the cross country trails care as well as the water park really! There has to be some way the golf course could get in on the purchasing power of the city for thing like chemicals, fertilizer, fuel and equipment let please start treating this golf course like any other city rec facility and level the playing field a bit.
5	Apr 30, 2014 12:16 AM	Definitely more ice surfaces, our 7 year old son had many games/ practices where he had to be at the arena at 6.30 am a little early for little ones but ice times are scarce.
6	Apr 29, 2014 5:35 PM	Kids park in Vanier east
7	Apr 29, 2014 5:30 PM	River Bend Golf Course needs work
8	Apr 29, 2014 5:18 PM	More residential, parks, trails (that are not close to main busy roads) development on the north end to give the north end of RD a better reputation.
9	Apr 29, 2014 3:28 PM	We need an additional hospital. This one was built in the 80's and has since been turned into a Regional Hospital. Consequently it is too small to serve our community and those around us. Surgery and treatments are now being outsourced to other communities and as I have been told, urgent surgeries are having to wait 4-5 days before they can be done because of shortage of space and OR rooms. We need to start lobbying for a second hospital NOW.
10	Apr 29, 2014 2:59 PM	"Trail system. No 50 m pool!"
11	Apr 29, 2014 2:55 PM	A unique attraction that Calgary and Edmonton do not have.
12	Apr 29, 2014 4:06 AM	"Appropriate bike lanes, Revitalized downtown, River walk/park development, Ring road, Recreation facility upgrade/new facility"
13	Apr 28, 2014 11:44 PM	"It would be nice to have a concert hall/ performance presentation space that's around 1500 seats. Somewhere that is serviced by Public Transit."
14	Apr 28, 2014 7:58 PM	A more informative way of communicating with the people of Red Deer. This was really brought to light with the garbage change from back alley to front pick up. If portable sign boards were needed to inform residents of this, how many things are not clearly being communicated to the people.
15	Apr 28, 2014 5:09 PM	"Skating rink with boards at River Bend in the winter. Locker rooms and showers for the Clubhouse at River Bend Golf & Recreation Area, Gazebo's and fire pits for Three Mile Bend and River Bend Snow clearing on ALL of the asphalt trails between Heritage Ranch and River Bend in the winter."
16	Apr 28, 2014 4:50 PM	Let's face it a City Red Deer's size needs a competition Pool and Aquatic Centre. Time to move on this while interest rates are low. Demand is only going to grow each year.
17	Apr 28, 2014 4:25 PM	The city of Red Deer need to maintain the facilities it now has before investing in new amenities such as a 50 meter pool. River Bend Golf and Recreation area needs an influx of capital expenditures in order to maintain this 25 year old facility to acceptable standards. The golf course, boat launch, discovery canyon, and walking/hiking trails all require capital investment. Recent capital investment in the Dawe, and the Recreational Center, was need, now it is time for River Bend.
18	Apr 27, 2014 5:17 PM	Multi-purpose community centre in North Red Deer: I went to an open house a couple of years ago and was excited by the project. We need this in the North, there's no place for us to meet and take programs.
19	Apr 27, 2014 2:28 PM	Enhanced recreation and policing services

#	RESPONSE DATE	RESPONSE TEXT
20	Apr 27, 2014 2:17 PM	Multi use aquatic centre featuring a 50m pool
21	Apr 27, 2014 2:13 PM	Multi use aquatic centre featuring 50m pool
22	Apr 27, 2014 2:12 PM	"Multi use aquatic centre featuring 50m pool, Theatre for the symphony"
23	Apr 26, 2014 8:00 PM	SWIMMING POOL / MULTI-USE AQUATIC CENTRE - The City is in desperate need of additional multi-use aquatic space. Current aquatic space does not provide the citizens of Red Deer adequate opportunities for aquatic fitness. Pretty much every other city in Canada provides significantly more aquatic facilities than the citizens of Red Deer have access to. As previous studies/surveys have clearly demonstrated, this is a priority for the citizens of Red Deer and the most efficient way to deliver this additional pool space would be a multi-use facility with a 54m swimming pool with bulkheads. For Q2 below, I believe the Rec Centre location is best. (city centre was not an option)
24	Apr 26, 2014 7:46 PM	SWIMMING POOL / MULTI-USE AQUATIC CENTRE - The City is in desperate need of additional multi-use aquatic space. Current aquatic space does not provide the citizens of Red Deer adequate opportunities for aquatic fitness. Pretty much every other city in Canada provides significantly more aquatic facilities than the citizens of Red Deer have access to. As previous studies/surveys have clearly demonstrated, this is a priority for the citizens of Red Deer and the most efficient way to deliver this additional pool space would be a multi-use facility with a 54m swimming pool with bulkheads. For Q2 below, I believe the Rec Centre location is best. (city centre was not an option)
25	Apr 26, 2014 7:21 PM	"More recreation facilities north of 67th Street, more grocery stores north of 67th Street, more shopping in the north end"
26	Apr 26, 2014 5:04 PM	Whitewater Park and Play on the Red Deer River in the City of Red Deer
27	Apr 26, 2014 1:36 PM	More arts and culture.
28	Apr 26, 2014 12:43 PM	"One huge aspect which has endless potential and should never be overlooked or forgotten is the encouragement of traditional ETHNIC ARTS. We, at Norwegian Laft Hus Society, are doing a terrific job of encouraging those very unique and wonderful arts of Norway. We have provided our own 'amenity' with support from the City of Red Deer for the 'temporary and experimental' location of the Laft Hus in Rotary East Park. Just imagine what fun everyone would have if what we are doing at Laft Hus were to be encouraged and multiplied by thirty or forty more 'ethnic' groups in a special INTERNATIONAL VILLAGE--somewhere in the City or more realistically, nearby in the east County of Red Deer. Worth mentioning is that this VILLAGE would have the rich potential for College/University student summer employment which would be much more educational than some of the places they currently try to earn summer wages. This village would also be an automatic enticement--as is our Laft Hus---to our seniors to enjoy volunteering by sharing their accumulated ancestral arts with others--young and old. The rich potential of groups to contribute the buildings and the operational costs --such as our very small group of Norwegians have done---would definitely relieve the City of such a VILLAGE of having to finance the capital for such amenities. Our City's costs could be limited to fencing, gates, washrooms, security and park maintenance. The biggest plus is that this village would attract visitors from all over the world who currently bypass our City by the thousands each day without stopping in to see what is here. More tourist dollars are needed here--and remember, we need not build schools for tourists. At Laft Hus we already know about these visitors because many take the time and trouble to stop in to visit our beautiful wee log house. The comments recorded are proof that we are on to something people enjoy and want! Also, the Red Deer Arts Council does a wonderful job on their annual Art Walk day in Heritage Square which our society has continually supported through our Norwegian Laft Hus situated there in the park where it is held. However, the day and all its work of artists setting up to share the fun is just toooo short for many!!! We seem to need an ALWAYS OPEN EASILY ACCESSED AMENITY to encourage all the arts all year long. How about spending some time
29	Apr 26, 2014 7:09 AM	Over the next few years Red Deer need very few amenities that the free market can not provide. I would prefer to see the next five years as a savings period, and 2019-2014 be a spending period.
30	Apr 26, 2014 5:51 AM	Another indoor ice rink
31	Apr 26, 2014 4:31 AM	"Indoor soccer fields!! More places and things to occupy youth (i.e. another skate park on the"
32	Apr 25, 2014 9:07 PM	A on-leash dog friendly, family friendly green area with lots of trees, trails and picnic areas like Stanley Park in Vancouver
33	Apr 25, 2014 7:54 PM	"BANDSTAND IN CENTENNIAL PLAZA PARK: A bandstand in one of the larger City parks. This would be a great place for the community to gather during summer weekends to hear music or other performances from individuals and community groups. Rotary Recreation Park would have been a great choice but the proposed Aquatics Centre will take up too much space. Centennial Plaza Park would provide lots of space for a bandstand and for members of the public."
34	Apr 25, 2014 4:15 PM	Amusement Park,Water Park
35	Apr 25, 2014 2:29 PM	"A splash park Better access to trails
36	Apr 25, 2014 5:28 AM	Proper swimming pool, not a play pool or waterpark. A competition sized swimming pool"

#	RESPONSE DATE	RESPONSE TEXT
37	Apr 25, 2014 3:52 AM	"Continue to expand the Waskasoo Park system as the city grows Expand recreation facilities - larger centres with various sport amenities in it More aquatic facilities"
38	Apr 25, 2014 1:42 AM	"Maintain the River Bend Golf and Recreation area. Continue to develop and maintain the park walking/biking trails"
39	Apr 25, 2014 1:40 AM	"Maintain the Riverbend Golf and Recreation area Continue to develop and maintain the park walking/biking trails"
40	Apr 25, 2014 1:39 AM	"Maintain the Riverbend Golf and Recreation area Continue to develop and maintain the park walking/biking trails"
41	Apr 25, 2014 12:52 AM	"Another hockey rink as the city has grown over the last 10 yrs and only gained one rink at the Collicutt in that entire time Also need a much larger field-house that has a track for indoor track and field with a large walking/running track that is open to the public all day as this is a long winter in this province and the only exercise we can get has to be indoors. This field house needs access to 2 or 3 gyms that are flexible enough to accommodate different needs at the same time. Can we also put in good viewing areas?"
42	Apr 24, 2014 8:45 PM	"Music/Theatre Hall My first choice for location (since it's not offered below) would be a central location like the old city yards."
43	Apr 24, 2014 8:43 PM	"Conservatory, Indoor garden Music/Theatre Hall I would pick a central location like the old city yards."
44	Apr 24, 2014 7:39 PM	More Arena's
45	Apr 24, 2014 4:32 PM	SAFE running/walking/biking trails
46	Apr 24, 2014 3:35 AM	Parks, Recreational amenities and shopping amenities in the North end and Downtown.
47	Apr 24, 2014 3:31 AM	Red Deer needs to offer more parks and recreational areas and public facilities to all the newer and future neighborhoods. I planned to move to Red Deer unfortunately none of the newer area fitted ANY of my needs!
48	Apr 24, 2014 3:13 AM	"More public shopping centers would be extremely wonderful, these places are necessary for public interaction. More musical related places we can go kind of run down and not what the could be to and interact with one another, meet new people, sing have fun etc. The city needs more murals, mural benefit the city in a number of ways such as they are considerably cheap to muster up. Murals add lots of life and fun and character to a city.. Funny I brought up character come to think of it that is something I really think the people of deer old Red Deer sort of lack. The city needs more Character! Thank you, A Concerned Citizen."
49	Apr 23, 2014 10:34 PM	"Red Deer needs a new theater with a capacity to hold 1200-1500 people. The Collicutt needs more parking stalls."
50	Apr 23, 2014 6:17 PM	"1) Protect forested areas; 2) Expand the trail system (including mountain bike trails); 3) Enhance/ expand the downtown skate park;"
51	Apr 23, 2014 6:17 PM	"1) Protect forested areas; 2) Expand the trail system (including mountain bike trails); 3) Enhance/ expand the downtown skate park; 4) Add a second family facility (like the BUSY Collicutt Centre) - a 50 meter pool is not necessary"
52	Apr 23, 2014 5:15 AM	"A year round farmers/public market Affordable housing"
53	Apr 23, 2014 12:32 AM	Bicycle infrastructure
54	Apr 23, 2014 12:14 AM	The Dawe is an awesome place, but would be nice to expand this facility to include a second fitness area so it is less crowded, inside play area like they have in a facility in Edmonton. The drop in daycare could use it in winter, parents have a place for children to play during our cold winter months. Beautiful pool, very clean facility. Gym is very crowded weekends so maybe a second gym area.
55	Apr 22, 2014 7:53 PM	Another campground and leisure centre.
56	Apr 22, 2014 7:11 PM	"Ice arenas, more multiuse trails"
57	Apr 22, 2014 5:44 PM	"Projects and Initiatives such as the compost project. Pay for garbage, recycling free."
58	Apr 22, 2014 6:30 AM	Top of the line outdoor sports facilities. Use the location of Red Deer to our benefit - promote Red Deer as tournament central - tourism dollars drive economies
59	Apr 22, 2014 4:00 AM	Library in the southeast
60	Apr 21, 2014 11:00 PM	Schools
61	Apr 21, 2014 7:08 PM	Keep the large natural area south of the college intact
62	Apr 20, 2014 11:33 PM	"Another arena - located wherever practical. A full-sized branch library in south Red Deer."
63	Apr 20, 2014 9:05 PM	Recreational Complex, swimming pool, hockey arena, indoor track, gym, etc.
64	Apr 20, 2014 8:18 PM	Multiple additional spray parks and outside pools at least on north and east sides.

#	RESPONSE DATE	RESPONSE TEXT
65	Apr 20, 2014 3:33 PM	Having a young family I would love to see more activities for myself to take part I while my child is in the daycare. I would love to see a kitchen area where I could take different cooking classes. As well, a golf simulator to work on my game during the winter. I think these would be some great group activities that could be used year around for all ages.
66	Apr 20, 2014 1:55 PM	"The Dawe is in need of an expansion!!! The gym is not large enough with people waiting in line ups to play basketball, volleyball, badminton, soccer, and floor hockey. Then they use up one court for most of Saturdays and Sundays for birthday parties The fitness area is packed in the evenings with very little equipment for everyone. They only allow for 7 birthday bookings on the weekends so they fill up so fast. The rink is busy all the time with hockey so there is very little time for just the public to go skating. The swimming lessons fill up so fast there but I wait because they have the best swimming instructors in the city. With our long cold winters that never seem to end it would be nice to see the Dawe have an extra rink for some extra public skating (on no school days), a large indoor play centre, a field house, a walking track would be nice to have at the north end, and more party rooms. The staff at the Dawe are amazing keeping the place looking great with so many people using the building. It is nice going there with a smile from the customer service ladies right down to the cleaners! Even though this is a crazy busy place I keep going there because they staff always make you feel welcome there."
67	Apr 20, 2014 1:05 AM	More signage for on-leash dog parks. More bag holders, garbage cans and bylaw enforcement officers to be sure people keep dogs on leash, pick up their dog's poop and put it in a garbage can. Lets make it easy for these people, and clear, and penalize those who still don't bother with these very simple rules. I'm tired of stepping around poop, being stalked and harassed by loose dogs, have to wrestle my large, on leash dog away from loose dogs, who often have owners nowhere in sight. I love the parks but this is very frustrating and unfair to those of us who follow the rules.
68	Apr 19, 2014 9:25 PM	"Visual arts studio's and gallery Year round farmers market"
69	Apr 19, 2014 6:40 PM	I think we need to address the needs of existing amenities before adding new facilities. Between 2001 and 2013 the Golfers of this community generated \$29,161,718 in Gross Revenues for this public golf course and recreation area. Golfers have generated in the range of \$50,000,000 for this property over the past 26 years. Despite that, The City still expects that Golfers will pay for all of the Operating AND Capital costs of their recreational sport of choice, while it seems that all of the other recreational sports in Red Deer have their Capital costs, and sometimes their Operating costs, covered by the public purse. I want to see double standards eliminated in favor of Golfers gaining equitable Capital resource allocations from the public purse.
70	Apr 19, 2014 6:37 PM	River Bend golf and recreation area
71	Apr 19, 2014 4:50 PM	Aquatics, indoor soccer
72	Apr 19, 2014 3:49 AM	A road from 40th to bower mall area. We do not need another swimming pool or bike lanes to satisfy a small percentage of the population
73	Apr 19, 2014 1:08 AM	"There are small groups forming that do not have any place to meet or call their home. It would be a wonderful incentive to the growth of these groups if there was somewhere they could get together, without the burden of expense, while in the process of formalizing their group and settling its structure and program of activities. I am working with two such groups now, and I am concerned that at least one will vanish because of this problem. In the community in which I lived before moving to Red Deer the municipality assisted with this situation, and I wonder if it could happen here. I would be pleased to work with the City towards a solution. Lionel Lustgarten, 43 Dentoom Close, tel 587-273-374, email bensar@shaw.ca"
74	Apr 18, 2014 11:37 PM	a 50 meter pool that has a minimum of 6 lanes. It also needs to be deep enough to hold swim meets. With the Michener closing in 2-3 years Red Deer's aquatic sport will become non-existence. That's over 400 athletes without a sport they love to play anymore. We have enough fun water pools what we need is a Sports pool! The tourism that will come once we have that pool will be huge for Red Deer.
75	Apr 18, 2014 10:24 PM	Soccer fields, add to Great Chief Park, turf, bleachers
76	Apr 18, 2014 8:55 PM	"Another ice arena relocate soccer fields tournament slow-pitch fields with tournament house for dancing and drinking, Canada Trail extension - to Blackfalds, Sylvan Lake, and Penhold, new deeper swimming pool - 25m or 50m, rodeo grounds as Westerner Park is not western anymore"
77	Apr 18, 2014 8:19 PM	We need a new, 50 m, competition legal pool very badly.
78	Apr 18, 2014 6:15 PM	"I would like to see:, - another leash free dog park on the south-west side of the city, Traffic optimization and alternatives other than just sticking a traffic light in problem areas. As an example, the stretch of 32nd street eastbound from Taylor drive has something like 5 stoplights in less than a kilometer, that's ridiculously poor planning, not great traffic optimization., - I love the parks and kilometers of trails (bike, pedestrian, etc.) Red Deer has, this is something the city has done very well and should continue building on., - I love the parks and kilometers of trails (bike, pedestrian, etc.) Red Deer has, this is something the city has done very well and should continue building on., - A pedestrian bridge connecting Bower Ponds to the south side Riverbank trail., - A pedestrian friendly area in the downtown in the spirit of Calgary's Stephen Avenue."
79	Apr 18, 2014 5:21 AM	Olympic size arenas/pools to be able to host more events!!
80	Apr 18, 2014 4:10 AM	Parks and trail connections

#	RESPONSE DATE	RESPONSE TEXT
81	Apr 18, 2014 3:07 AM	New public library branch
82	Apr 18, 2014 2:38 AM	A larger performance Theatre/Arts Centre. One that is able to accommodate up to 1500 people.
83	Apr 17, 2014 11:53 PM	It would be valuable to include an oval shaped indoor track in the next major facility built in Red Deer. There are several facilities in Central Alberta which presently have indoor tracks but all of them (Collicutt Centre, Penhold Multiplex, and now the Abbey Centre in Blackfalds) have corner which are too sharp for runners. To minimize the risk of injuries, the corner should have a large radius. If an oval indoor track was 200 m long and had four or more lanes, we could host indoor track meets in Red Deer. If a facility is designed so that it is suitable for high performance athletes, it will be suitable for everyone.
84	Apr 17, 2014 11:42 PM	"Olympic size pool., Put bike path off the road"
85	Apr 17, 2014 11:40 PM	"Olympic size pool. Put bike path off the road"
86	Apr 17, 2014 11:07 PM	Affordable day cares with one caregiver per three children with a large focus on language development in high risk areas like Riverside Meadows and the downtown core
87	Apr 17, 2014 9:22 PM	Another man made beach
88	Apr 17, 2014 9:19 PM	"A new Aquatic centre is certainly needed for the City. There are lots of instances where I had to go outside the City to swim. This weekend is a very good example. It is Easter weekend, a four day holiday for government and municipal employees, not for anyone else. We have 2 lane swimming pools in the City, and they are both closed for the entire 4 days, really! When the pool is open for lane swimming, there are a lot of times where it is shared with another user group. So we are paying to be able to swim during public lane swimming hours, and then the availability of lanes is cut in half because a user group wants to book a time as well. So, is there no other time available other than public time and has been pre-designated to the public already? We buy our passes and adjust our schedules on the notion that we will be able to swim during the times that was already stated in the schedule. Those times, it seems, can be taken or altered anytime with no thought on the already prepaid public users. It is definitely in my opinion that the City needs more pool space to accommodate the growing population of public users, and swim clubs. This of coarse will increase the need of more space for lessons for the City and the schools. We need to promote health and wellness, and getting a new Aquatic Centre will certainly be a step in the right direction. Also, on that note, I really don't think we should get the Canada games as it is an embarrassment that we have to ship our aquatic athletes 90 minutes away in order for them to compete."
89	Apr 17, 2014 9:13 PM	More Pools, Another Theatre
90	Apr 17, 2014 8:56 PM	Museum collections storage facility
91	Apr 17, 2014 6:31 PM	We really need a children's indoor play centre.
92	Apr 17, 2014 6:26 PM	A New Recreation Centre for all Red Deers Athletes!! Including but not limited to an Olympic sized swimming pool, Dive Tank and Multiple Ice rinks with a viewing area. Not only will this help the athletes/teams using the facilities success but add to Red Deers economy by being able to host large provincial,national and international events. Being Central Alberta it could be in High Demand.
93	Apr 17, 2014 6:25 PM	What we miss most in Red Deer is a concert hall for full concert orchestras, theatre companies, opera and ballet. Many companies come to both Calgary and Edmonton on tour so could easily stop here if we had a suitable venue for them. Maybe not a priority in five years but as soon as possible, please.
94	Apr 17, 2014 4:56 PM	Better use of park spaces - splash pads, playground equipment, community centres (ball diamonds, outdoor rinks, buildings), etc. Another Rec Centre.
95	Apr 17, 2014 4:32 PM	50m competitive swimming pool. That's it. We don't need a surf pool, ANY more wading pools/kids pools/recreational pools. Putting in that other stuff is a waste of money. We just need ONE functional pool to train competitive athletes, whether it be speed swimmers, divers, synchronized swimmers, water polo etc. If you're worried about revenue, you should show up to an aqua fit session at the rec centre. A lot of people come out to use the little practicality we have. This needs to happen soon, we have waited too long.
96	Apr 17, 2014 4:29 PM	Please forget about Olympic swimming pools etc and do something about the roads in the city. They have been neglected for years by successive Councils and the City Manager; it's about time something was done about them - and I do NOT mean the shovel and stamp Band-Aid solution!

Save money from the bike lane proposals and use it to maintain and improve the existing bike paths. (one of our greatest assets)"

#	RESPONSE DATE	RESPONSE TEXT
99	Apr 17, 2014 3:06 PM	"Expanded cycling infrastructure. More than anything else. There is currently NO viable north/south bicycle commute route, west of the 32nd Street trail/sidewalk. Re institute the summer day camps we grew up with at the community centers. (Free crafts, bike rides and sprinklers etc)" The next question only allows for one region of the city to be chosen. I'll put Southeast because that's where I live. However, every section of the city needs expanded cycling infrastructure."
100	Apr 17, 2014 2:57 PM	Not sure why Michener pool is closing. Is it too expensive for the City to take over maintenance of this facility? With this closure in mind, the City will definitely need to look at construction of a new pool. I would like to see a pool where there is at least one lane, preferably more, or a separate lane pool, open for lane swimming all day long. It is very hard to find a time when lane swimming at the Recreation Centre is not busy. We need to encourage citizens to keep physically active, which includes easy access to various facilities. "Easy" access includes reasonable admission fees. I think the one-day access fee charged at the Collicutt Centre is too much. The pool is definitely not meant for lane swimmers, which I understand and realize a lot of kids enjoy this pool and its wave maker. However, that makes the need for an additional lane pool even more pronounced.
101	Apr 17, 2014 2:53 PM	"More indoor soccer pitches because there would be more use from the population for the dollar spent. The 50 m pool is not a priority for this community. The Majority of citizens would not approve of blowing money on the pool."
102	Apr 17, 2014 2:53 PM	Another recreation complex, consisting of an actual SWIMMING pool, not something for babies.
103	Apr 17, 2014 2:45 PM	Long term care facilities for people with mid to late stages Alzheimer's or dementia.
104	Apr 17, 2014 2:42 PM	A facility equal to the Talisman Centre in Calgary
105	Apr 17, 2014 2:06 PM	More traffic lanes. We must at least double our population during the work day.
106	Apr 17, 2014 1:49 PM	"New swimming pool More ice surfaces"
107	Apr 17, 2014 1:35 PM	Arts Center
108	Apr 17, 2014 11:24 AM	The community needs a new 50m indoor pool.
109	Apr 17, 2014 10:28 AM	This last winter has proven that we need to improve Snow removal from all areas during the winter. Just piling up windrows when there is a lot of snow caused a lot of problems for everyone this winter. The budget for this does need to be increased as well as having more areas for putting the snow other than windrows. If it could be moved before putting on any Salt or Sand it could be put on the park areas in the city without ruining the grass coverage there. In my books that would be much more needed than more money being put into sports where only the fit and wealthy gain from the money spent. This should be a city wide amenity. I tried to check all the areas below and that didn't work so I marked my own.
110	Apr 17, 2014 10:24 AM	More parks areas in smaller communities like terrace park, and lower fairview
111	Apr 17, 2014 9:41 AM	50m pool
112	Apr 17, 2014 5:53 AM	Safe fully connected off road bicycle/walking/running paths that connect the whole city. Since the below only allows one answer I will saw WHOLE city in a safe manner.
113	Apr 17, 2014 5:07 AM	The city needs an Olympic sized pool to better serve our swimming community. It can be a multi use facility of simply just a pool. Not a water park because we already have 2 of those. We now need an Olympic sized pool to train and compete in.
114	Apr 17, 2014 5:03 AM	Decent coffee shop in south eastern Red Deer (Lancaster). (Tim Hortons doesn't count)
115	Apr 17, 2014 5:02 AM	Decent coffee shop in south eastern Red Deer (Lancaster). (Tim Hortons doesn't count)
116	Apr 17, 2014 4:49 AM	Aquatic facility with a competition pool
117	Apr 17, 2014 4:29 AM	Develop the old drive in at the north end
118	Apr 17, 2014 4:24 AM	"1) A digital, book less library to replace an antiquated one at less cost and bring youth and elders together for shared technological learning 2) Elimination of a few sets of traffic lights on Gaetz Ave, particularly where service roads are utilized for business access. 3) Paved trail connecting 77 th to residential communities to access river side trail system and pines. 4) A new, city wide transportation review. Especially in residential areas newly built in the north."
119	Apr 17, 2014 4:18 AM	"Please promote non-chain restaurants in the east part of the city.
120	Apr 17, 2014 3:58 AM	Facility with 2 x 50m pools, indoor track, soccer pitch and ice rink
121	Apr 17, 2014 3:56 AM	A larger museum/archives, expanded rec center pool, a larger art gallery, more paved rink pads and better signage on trails (QR codes)

#	RESPONSE DATE	RESPONSE TEXT
I22	Apr 17, 2014 3:43 AM	"1. Connect all the walking/bike trails. But do NOT put them on the road again! Use same idea as around Anders and Inglewood etc. Red Deer desperately needs more fitness facilities for adults, available to the working person after typical work hours (4-7 pm). Adult lane swim with multiple lanes available 4-7 pm." 2. MORE schools! We are only catching up but by the time the new ones are finished they will also be packed full! 3. Another Bower Ponds idea would be great to see but even bigger to include more parking, larger kids park, and also to hold city functions such as Canada day. Bower is just getting too small and way too busy for all the interest."
I23	Apr 17, 2014 3:42 AM	Schools, good playgrounds, wading pool/sprinkler at parks. More walking trails -expand them into the new areas!
I24	Apr 17, 2014 3:38 AM	Begin a project for a 50 meter indoor pool!
I25	Apr 17, 2014 3:30 AM	More dry land space for sport courts
I26	Apr 17, 2014 3:30 AM	A 50 meter minimum 6 lanes pool! We done need wave simulators no fluff! Just deep lots of water
I27	Apr 17, 2014 3:21 AM	Leisure Centre. Like in Medicine Hat.
I28	Apr 17, 2014 3:17 AM	Aquatic Centre
I29	Apr 17, 2014 2:55 AM	"Indoor farmers market. New swimming facility"
I30	Apr 17, 2014 2:13 AM	We need an indoor 50 meter pool!
I31	Apr 17, 2014 2:10 AM	"Public toilets! Bike paths away from motor vehicle traffic, perhaps using existing trail system. Community centres accessible for rent/use in areas, Public trash bins, Community parks"
I32	Apr 17, 2014 1:57 AM	"Full size 50 meter pool. Community performing arts centre capable of holding larger audiences (I'm sick of supporting the highway churches - private 'businesses' with whose theology I can't support and I disagree with our public schools having to use them because we don't have an adequate community facility for our schools to use). More affordable and 2nd stage housing. Homeless shelter with day program and supports."
I33	Apr 17, 2014 1:47 AM	A graffiti wall - downtown
I34	Apr 17, 2014 1:05 AM	A large homeless shelter downtown
I35	Apr 17, 2014 1:04 AM	A large homeless shelter downtown
I36	Apr 17, 2014 12:56 AM	More indoor amenities for family activities
I37	Apr 17, 2014 12:28 AM	A multi purpose facility with multiple ice surfaces. Terwilleger in Edmonton. Proper indoor track/field house. Butterdome in Edmonton
I38	Apr 17, 2014 12:27 AM	"A performing arts spaces that isn't controlled by the college -- that is, a space with proper equipment that isn't booked by College programs and business speakers and doesn't cost 40% more than similar facilities in Edmonton. You didn't give me downtown as an option in question 2. Why?"

I40	Apr 17, 2014 12:22 AM	More indoor ice surfaces. A proper indoor track
I41	Apr 17, 2014 12:20 AM	"50 meter pool in a new community center that includes indoor skating rinks, library, track, field houses, baseball practice areas, gyms, weight rooms and meeting rooms. Possibly include a yoga studio. All year hockey rink for pick up hockey players. Another water park with better features (both indoor and outdoor) more trails esp in the north end, another off leash dog park"
I42	Apr 17, 2014 12:10 AM	Community based activity programs for kids.
I43	Apr 17, 2014 12:09 AM	"Swimming pool (Olympic lane pool). Ice arena, Shopping, Arts"
I44	Apr 16, 2014 11:58 PM	Safe, engaging, non sports or theatre spaces & activity for Red Deers diverse youth.
I45	Apr 16, 2014 11:21 PM	"Olympic sized swimming pool, Development of riverlands - shops, restaurants etc"
I46	Apr 16, 2014 11:17 PM	New mall, high rise condos, skyline, all down town
I47	Apr 16, 2014 11:03 PM	"Athletic park similar to Great Chief but larger with better field house and washrooms. Indoor soccer facilities."
I48	Apr 16, 2014 11:02 PM	"Athletic park similar to Great Chief but larger with better field house and washrooms. Indoor soccer facilities."
I49	Apr 16, 2014 10:46 PM	"The City doesn't have adequate multi purpose play fields with proper bathrooms, concession, possibly camping facilities close by easy access to highway. This could be central for slow pitch, soft ball, BMX, and any other sport. Because we are a central location we have the potential to be hub for conferences and sporting events. There is a need for a 50 meter pool but this can't be used to deny other sporting groups their needs, a balance is needed."

#	RESPONSE DATE	RESPONSE TEXT
150	Apr 16, 2014 6:35 PM	I love the many trails in RD. It would be great if they could be expanded to more areas and link back to each other. I think this could be an all over RD project but I had to pick an answer in question #2
151	Apr 16, 2014 5:59 PM	"Propose electrical servicing of the Existing Freestyle Skiing Water Ramp facility at Three Mile Bend. Electrical service to this site would allow for the up-grading of the facility (addition of a bubbler) to expand the current programs and attract novice through elite level athletes and the coaches that support these programs. Currently, Provincial and National level athletes travel to Whistler BC to train advanced skills on fully equipped facilities. The existing Water ramp facility was recently reconstructed; however, the full potential was not achieved due to the unavailability of electrical power to site. Central Alberta Freestyle Ski Club (CAFSC) runs and operates this facility. CAFSC is a supporting member of Alberta Freestyle Ski Association and Canadian Freestyle Ski Association. The profile of freestyle skiing has seen great interest in light of the recent advancements at the world cup and Olympic events."
152	Apr 16, 2014 4:59 PM	"Our community sorely lacks competitive facilities of all natures. As we grow we are well behind most of our provincial counterparts (and many smaller communities) when it comes to hosting provincial and national sport competitions. Among these: long track speed skating, short track speed skating, squash, badminton, and all of the aquatic sports are the current short comings for the Canada Winter Games bid. Add to that the lack of competition fields for soccer, baseball, softball, football, and shortage of space to offer lacrosse, inline hockey and ice hockey at the same time during spring, The City needs to be the driver behind sport facility development that will turn it into a sport tourism destination. That exposure to our fellow Canadians will highlight all of the other wonderful amenities we have to offer like our trail system, Collicutt Centre, growing downtown and Riverlands expansion."
153	Apr 16, 2014 4:47 PM	Further develop walking trails through our beautiful city
154	Apr 16, 2014 4:31 PM	Running track
155	Apr 16, 2014 3:45 PM	"Turning Lights., Intersections: 40 th Ave and 39 St. East and West directions, Intersections: Ross St. and 40th Ave. East and West directions. Intersections: Ross St. and 30th Ave. East and West directions. Intersection: 32 St. and Spruce Drive (Left) For North bound traffic. Intersection: Gaetz Ave and 43th St. South Bound Traffic Intersection: 43 St. and Taylor Drive East and West Bound Traffic. Better Road and Street Maintenance Better snow removal tactics Better Crime Prevention and Control. (Speeding) More Transparent Council Intentions. Allowing More Public Input. All Areas"
156	Apr 16, 2014 3:14 PM	I don't thing they need to develop anything. Red Deer really has it all.
157	Apr 16, 2014 2:38 PM	"We need to become ""tournament central"" and help put Red Deer on the map. As such, we require major added ice surfaces, a field house of size. Regardless of whether we get the Games, the time is now for the courage to advance these amenities Olympic pool. Work with the College to build these assets. Culturally, there is need for a 1200 seat concert hall to bridge between what can be hosted at the RDC Arts Centre and at the Centrum."
158	Apr 16, 2014 2:18 PM	"Community activities, family base ball leagues Learn to skate , swim programs, Equipment rentals, reasonable"
159	Apr 16, 2014 12:31 PM	We need more recreational centers with a bigger pool. We need another skateboard park. We need places for our young people to go to. For example an indoor skateboard and scooter and rollerblading and BMX center. Shuttle buses to Canyon ski hill.
160	Apr 16, 2014 3:47 AM	"We need an Olympic size pool and it should have been done when the Collicutt was built. I am not a swimmer but the need is definitely there and the events that it will draw to Red Deer will help a lot of businesses in the area. The City needs to work the RDC to get a new recreation centre built at the college. The facilities there are ancient and lacking. Possibly a good place for the pool."
161	Apr 16, 2014 3:38 AM	50 meter lane pool.
162	Apr 16, 2014 3:28 AM	Community drop-in centres like a YMCA. Somewhere positive kids and teens can go that is not just an unattended park, to give place and purpose to those without. There are a couple of paid recreation facilities, but I envision a place that is neither directly a social assistance program or just a recreational facility.
163	Apr 16, 2014 2:49 AM	"An indoor 50 meter pool as well as another facility with a pool in it.
164	Apr 16, 2014 12:44 AM	"Elementary/Middle school in northeast. Rosedale, Timberlands, Garden Heights, Clearview north...area. Also an indoor playground, like a moonwalkers type facility. We unfortunately have 6 months of winter and an indoor playpark besides the ones at Burger King would be amazing. I can't believe Red Deer doesn't have one and I can't believe the closest Moonwalkers type place is in Alix. Sylvan Lake used to have one, and it was always busy, but they shut down for some reason." Roads - better road route for 2A going towards Stettler. Devonian Gardens type building built into a new building.
		Snow removal needs to improve, along with removal of windrows! We can't get to the back driveway because there is too much snow causing us to park on the street, and a windrow only makes street parking block traffic flow through the street. Obstacles on walking paths with trees hanging too low. sidewalk snow removal needs to improve. More enforcement (like parking enforcement officers type) only for residential sidewalk snow removal. Road maps in new areas more of a priority."
165	Apr 16, 2014 12:11 AM	Roads. Both maintenance & repair of existing ones and new ones as traffic is bad for a city this size.

#	RESPONSE DATE	RESPONSE TEXT
166	Apr 16, 2014 12:11 AM	A local market, concert hall and better roads.
167	Apr 15, 2014 11:26 PM	"1. An indoor play facility for kids and parents... Like the one at Blackfalds (Abbeys place) 2. Public train transportation that connects red deer to Calgary and Edmonton. It's scare using HWY 2 in bad weather. 3. Red deer public zoo 4. Develop Red deer airport to handle more travel destinations and also international travel too."
168	Apr 15, 2014 10:06 PM	A multi-store/food court mall complex in the south east
169	Apr 15, 2014 10:00 PM	As the City grows to the East the Riverbend Recreation Area needs to grow with it.
170	Apr 15, 2014 9:58 PM	"Many of the decisions that make Red Deer a very satisfying place to live today were made 30 or more years ago. Waskasoo Park, rail relocation, moving the Westerner and building the Centrum come to mind. Contributing to the College / Community Arts Centre has also had ongoing benefit. Before those key decisions were made, building the 50 metre outdoor pool and 25 metre indoor pool in a central location has benefited citizens of Red Deer for fifty years. More recently, the construction of the Collicutt Centre has created a legacy for citizens of Red Deer for many decades to come. Most of these important community features were bought and paid for by a community of 20000 to 50000 people. Some were controversial but all have proven their worth over time. In thirty years, (a short time in the life of a city), Red Deer will be around 200 000 people. We should be asking what are the features needed to make the Red Deer of 2045 an outstanding place to live. And then we should work toward building that city. Certainly, I can't imagine such a city without a 50 metre pool for example. The question isn't whether we should build it or not; it's where, when and of course, how will we pay for it. Assuming the city will grow along the river, it seems very desirable that Waskasoo Park be a continuous development on both sides of the river. I am afraid this survey will lead to creating several minor but ""affordable"" amenities which will simply scatter our resources with little real long term benefit. Failure to make significant ongoing investments will be a disappointment. If that is the route Council chooses to go, perhaps they should consider a new entrance sign with the motto, ""Welcome to Red Deer; Striving for Mediocrity."
171	Apr 15, 2014 9:54 PM	Multi-use field turf facility for soccer, football, and rugby tournaments 2-fields with large locker rooms and grandstand facilities to attract provincial tournaments
172	Apr 15, 2014 9:28 PM	More field house space at the Collicutt Centre. There needs to be more space for more kids to play badminton, basketball, etc. It's way to full right now and kids are having to sit out or chose not to participate. Also, the Collicutt Centre is in desperate need of more parking.
173	Apr 15, 2014 9:27 PM	"A downtown concert hall/venue. Community Gardens. Science and Technology Centre/media tech."
174	Apr 15, 2014 9:24 PM	Trails and preservation of parkland
175	Apr 15, 2014 8:58 PM	Fitness area at Collicutt Centre needs to grow - it's full! The Kids Corner is also very busy ... if fitness expands, this area needs to grow too.
176	Apr 15, 2014 8:51 PM	Downtown Plaza
177	Apr 15, 2014 8:45 PM	"We need more teaching and rehearsal spaces for arts-specific uses, Culture Centre needs storage and more public spaces (i.e. waiting for kids in classes, observing classes, places for winter clothing and changing). Arts program spaces in the North part of the City. Bike lanes animal-friendly spaces better/ more innovative planning of neighbourhoods and commercial spaces in general, live/work spaces, green building, changes to development regulations in the City the choices of quadrants below are very limiting - where is downtown? the old civic yards area is in what area? Riverside? Michener? these are all areas that could be developed mindfully and meaningfully"
178	Apr 15, 2014 8:41 PM	50 metre pool.
179	Apr 15, 2014 8:41 PM	Better plastics recycling.
180	Apr 15, 2014 8:38 PM	Eliminate parkland and bower mall in favor of a large cross iron mills style mall down town on the north end of downtown designed to shock and awe with covered roads and a large casino. Ample parking and a transit junction. Movie theater. Imax. Eliminating the old north side of red deer down town from provincial building north. Super store to central school. See freemont street.
181	Apr 15, 2014 8:34 PM	Another Arena
182	Apr 15, 2014 8:33 PM	Another Collicutt Center
183	Apr 15, 2014 8:32 PM	"- A new spray and splash park in the northwest of the City, - more satellite libraries in areas that don't already have one"
184	Apr 15, 2014 8:32 PM	"- City-owned and operated Art Gallery, - city-owned and operated performance space/concert hall, Since Question #2 below only allows for 4 options, the above amenities should be in the downtown centre"
185	Apr 15, 2014 8:32 PM	"More wide asphalt trails! Nobody likes cyclists to be on narrow concrete sidewalks (or on the road, if we're being honest). More segregated bicycling infrastructure! I really like how Montreal does this."
186	Apr 15, 2014 8:28 PM	More parks trails in north red deer and develop the north to have fun places to be with less focus on industrial

#	RESPONSE DATE	RESPONSE TEXT
187	Apr 15, 2014 8:15 PM	Drop in gyms. Something like what the Collicutt Centre has, but better. Something with more gym equipment and more frequent drop in classes. Something like a YMCA in Calgary.
188	Apr 15, 2014 8:14 PM	"We need more dedicated space for arts programming in the City. Studios with proper dance floors, rehearsal spaces, studios for art making, etc. are really in short supply, especially in the public realm. It would be great to see these types of spaces in the north end of the City, as well as in the core. Live/work spaces for artists of all kinds would be amazing. Also, if the skating oval is moved to Great Chief Park, the Parkvale/downtown core will need skating facilities for leisure skating and for hockey. This is already a deficiency, as kids are not allowed to play hockey on the oval and there is not a boarded rink in the downtown for them to use."
189	Apr 15, 2014 8:13 PM	We need more dedicated space for arts programming in the City. Studios with proper dance floors, rehearsal spaces, studios for art making, etc. are really in short supply, especially in the public realm. It would be great to see these types of spaces in the north end of the City, as well as in the core. Live/work spaces for artists of all kinds would be amazing
190	Apr 15, 2014 8:12 PM	We need more dedicated space for arts programming in the City. Studios with proper dance floors, rehearsal spaces, studios for art making, etc. are really in short supply, especially in the public realm. It would be great to see these types of spaces in the north end of the City, as well as in the core. Live/work spaces for artists of all kinds would be amazing
191	Apr 15, 2014 8:12 PM	a bigger swimming pool accommodation
192	Apr 15, 2014 8:09 PM	"The city needs to invest in an indoor 50m pool that is focussed on swimming not another splash park. Splash parks encourage people to come out and play at a pool when they are little but do not provide a place to go to the next level. Swimming is a low impact activity that the entire community can participate in at any age. Organized swim teams develop future leaders in our communities. The city needs to partner with the college and other area arts communities to ensure that drama, dance and music programs continue to expand in the city. We have less opportunities to develop in these areas then we did 15 years ago."
193	Apr 15, 2014 8:08 PM	"Indoor/outdoor botanical gardens and atrium, aquarium. Larger gift/souvenir store at the MAG Safer access to downtown & parking (security cameras,better policing, less panhandling,drug transactions, prostitution, robberies, vandalism). More cafe outdoor patios in summer. More 'Art in the Park' and other activities in City Hall Park. (Less panhandling) Continued and more theatrical & musical performers downtown & at Bower Ponds. continued festivals downtown, (prior to September for better weather)."
194	Apr 15, 2014 8:01 PM	Library, community hall
195	Apr 15, 2014 7:53 PM	Nothing there all here Plow the roads so we can get to them
196	Apr 15, 2014 7:52 PM	Additional libraries
197	Apr 15, 2014 7:43 PM	Indoor running track
198	Apr 15, 2014 6:26 PM	An AFFORDABLE indoor space for art clubs and community groups to rent for workshops, displays, shows, etc. For a town the size of Red Deer, it seems pathetic that non-profit organizations don't have such as space to meet and use. Doesn't really matter where they are, obviously the more central the better, but wherever affordable space could be designated would be fine.
199	Apr 15, 2014 6:20 PM	A multi purpose facility to teach dance, host dances, functions. A facility that has multiple rooms of (min. of 3) good size for dance workshops, or others similar uses.
200	Apr 15, 2014 6:17 PM	We need an arts centre that combines different kinds of studio space, exhibit space, for all the arts, including literary, performing and visual as well as be able to host large arts events.
201	Apr 15, 2014 5:52 PM	I think you need to provide some context around this question, otherwise you will only hear from people with special interests. As someone with no particular special interests, I don't know. I don't even really know what all qualifies as a community amenity. As a result I think you will get biased information on this survey.
202	Apr 15, 2014 3:25 PM	"1) Lane swimming pool; 2) Transit routes that do not enter the down town core; 3) Expansion of routes where winter sidewalk clearing occurs;
203	Apr 15, 2014 1:16 PM	Natural playgrounds
204	Apr 14, 2014 11:57 PM	"Improve trails so all trails are connected and there are cross walk signs on the relevant streets that lead to the trails. Avoid use of pavement trails as much as possible as they get icy. Develop snow shoe trails. Do not give selected groups (XC skiers) exclusive access to public land (i.e rude signs at Riverbend this winter indicating that the trails south of the road were for skiers only). Clean snow from stairs on trails to improve ability to use all trails in the winter. Encourage diverse services in neighborhoods so we can easily walk to cafes and coffee shops etc."

#	RESPONSE DATE	RESPONSE TEXT
205	Apr 14, 2014 11:17 PM	Skate Parks for roller skaters, I play roller derby and skating areas for us would be quite nice. There are at least three leagues around 500 people in the community who play roller derby.
206	Apr 14, 2014 10:29 PM	Outdoor skating rinks in the new subdivisions.
207	Apr 14, 2014 10:12 PM	"Seeing as Michener Centre may fall to the wayside, an adult-only (18+) swimming facility with showers/hot tub/sauna would be ideal for those who like to have an uninterrupted swim at any time. - Complete the Oxbow Off-Leash Dog park with portable washrooms as it had been requested during the planning stage.
208	Apr 14, 2014 8:58 PM	"More recreation centers, gymnasium specifically. There is such a shortage of affordable rec areas in Red Deer that people travel to surrounding area - Springbrook, Sylvan, Lacombe - for game and practice space. Examples: Roller Derby - Central Alberta has four leagues. None of these leagues play or practice in Red Deer. This means they are unable to showcase Red Deer when hosting invitationals or games. Pre Season Softball - All in Springbrook Hobby community, such as RC planes - all outside of Red Deer There are huge untapped markets in CAB that require large facilities. I would also like to see more tourist attractions - an art gallery or museum. We are very convenient for Alberta tourism and do not tap into this at all. This would also bolster our arts and culture scene, which in turn could improve arts programming at RDC bringing in more students per year. Last but so far from least, build up the downtown! There is so much wasted and empty space that could be commercial on the main floor with parking, housing, etc upwards."
209	Apr 14, 2014 8:41 PM	"Another Collicutt Centre - north of the river A 50 metre pool - near the out door pool"
210	Apr 14, 2014 8:30 PM	Another indoor ice rink at the Collicutt Centre
211	Apr 14, 2014 8:30 PM	A concert hall, with rehearsal space.
212	Apr 14, 2014 7:40 PM	Major sport facilities.
213	Apr 14, 2014 5:51 PM	Everything! Mixed use developments with parks and community centres within which to gather, Collicutt Centre 2, increased transit services, interconnected contiguous trail network.
214	Apr 13, 2014 11:48 PM	"Top priority should be a 50m pool. We also need to deal with the lack of storage space for city records and archives. As for the location options given below, I think a lot of things should be central. I'm not really sure our city divides into quadrants all that nicely, or that we should think in those terms."
215	Apr 13, 2014 3:58 PM	"A real swimming pool for training. Dawe used to be great for the north part of town, but it is terrible now for swimming lengths. We need enough swimming lanes that people can get their exercise in as well. I have stop going to the rec center as I can never get a lanes that did not have four people in it. The out door pool is great - please keep it, it is what I look forward to all year."
216	Apr 13, 2014 1:37 AM	"A small Zoo, a drag strip for safe racing so these clowns quit using 39th street thru Deer Park. (This is my legit answer)"
217	Apr 12, 2014 7:29 PM	"1. Redo the bike lanes. A good idea but implemented obviously without proper studies as to where they should be. 2. A bigger museum, however not a 'fancy' one. (no ballrooms, or elegant restaurants etc.) 3. Another Recreation Centre. Include an Olympic size pool. 4. More people friendly parks. 5. More bike/people friendly paths connecting these parks, and also outlying communities. 6. These amenities should be located throughout the city."
218	Apr 12, 2014 4:13 PM	"Fifty metre pool Larger ice arena complex"
219	Apr 12, 2014 3:47 PM	We need a 50 m competitive pool.
220	Apr 12, 2014 3:51 AM	"Red Deer should have built a 50m pool instead of having two 'fun' pools with GH Dawe and Collicutt. It doesn't have to be fancy - make it functional. It would be ideal at the College or somewhere where there is lots of parking and access for visitors from out of town for swim events. A bigger dive tank could permit a diving club plus the synchronized swim club.... a 50 m pool would help deal with the pool lane shortage for the swim clubs, swim fitness and swim lessons. Red Deer is also short on indoor ice - the Kinsmen centre is showing its age but especially the Kinex."
221	Apr 12, 2014 1:42 AM	"Amenities is a BAD word! You need to be thinking about "social infrastructure" in the same vein as you think about road and utility infrastructure. There is a very wise bit of advice out there - pay attention to the needs of your youth, for they will either contribute greatly to your society or they will tear it apart! We are currently ignoring the social needs of our society overall, including our youth. If we don't get serious about addressing those needs, instead of the slavish adherence to building more roads and bridges, we will pay for it in higher policing and health costs."

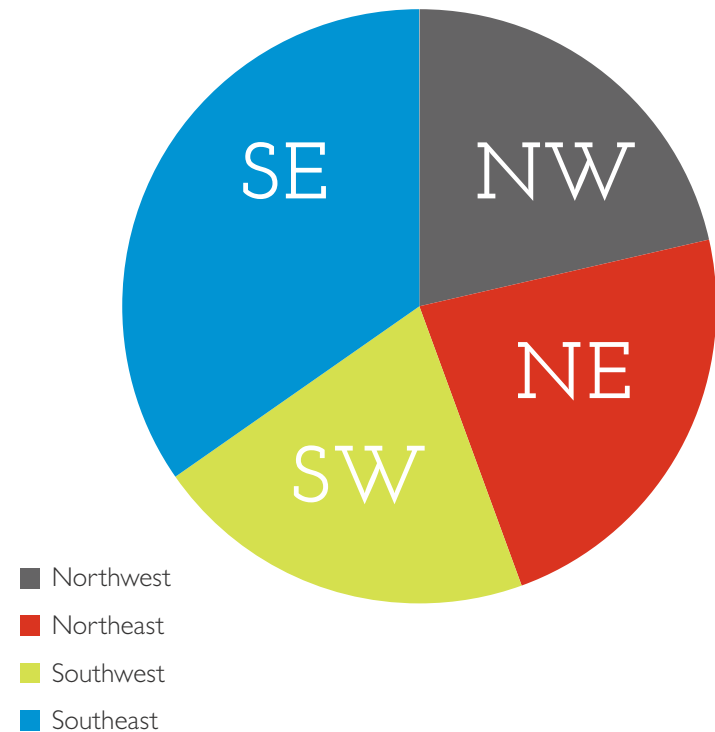

5
YEAR

QUESTION 2:

Considering this for the 5 year plan,
where should these community amenities be in the city?

Responses: 196
Answered Question 196
Skipped Question 34

ANSWER OPTIONS	PERCENT	COUNT
Northwest	21.4%	42
Northeast	23.0%	45
Southwest	20.9%	41
Southeast	34.7%	68

QUESTION 3:

What community amenities does The City need to develop to serve Red Deer over the next 10 years?

Responses: 169

Answered Question 169

Skipped Question 61

#	RESPONSE DATE	RESPONSE TEXT
1	Apr 30, 2014 8:08 PM	Provide land / space for race track
2	Apr 30, 2014 4:42 PM	Better Arenas, people are now going to Penhold, Indoor recreation and Discovery Canyon overhaul.
3	Apr 30, 2014 4:37 PM	Again refer to my comments on the golf course this facility is well used by both people in and out of the city.
4	Apr 30, 2014 12:18 AM	A big 50 m pool and aquatic centre a place that can be expanded for future growth. Please don't squeeze it in down town where the rec centre is, what a bad idea there is lots of open land build it some where new
5	Apr 29, 2014 5:30 PM	River Bend Golf Course needs work
6	Apr 29, 2014 5:22 PM	"Twin arenas to bring larger hockey tournaments to RD, and to create more ice time availability to the citizens of RD. There is very limited public skate times available in RD as it seems to be occupied predominantly by RDMH, ringette and adult hockey teams. Expand the GH Dawe Community Center into the field directly behind the building. Twin and renovate the arena in this facility, expand the fitness area to allow a larger workout area, put in an indoor walking track so residents do not have to travel to the other end of town in the winter to use the track"
7	Apr 29, 2014 2:59 PM	"Trail system No to a 50 m pool."
8	Apr 29, 2014 2:56 PM	"Trail system. Keep the outdoor pool. No 50 m pool! No to a Tax Levie!"
9	Apr 28, 2014 5:10 PM	River Bend Golf & Recreation Area needs Capital reinvestment by The City.
10	Apr 28, 2014 4:51 PM	Continue with parks and Trails as the City grows to the Northeast. One of the Signature parts of Red Deer.
11	Apr 28, 2014 4:27 PM	Continued capital support for the River Bend golf and Rec area.
12	Apr 27, 2014 2:32 PM	Recreation and policing
13	Apr 27, 2014 2:18 PM	New facility for the symphony
14	Apr 27, 2014 2:14 PM	Multi use aquatic centre featuring 50m pool
15	Apr 26, 2014 8:00 PM	SWIMMING POOL / MULTI-USE AQUATIC CENTRE - The City is in desperate need of additional multi-use aquatic space. Current aquatic space does not provide the citizens of Red Deer adequate opportunities for aquatic fitness. Pretty much every other city in Canada provides significantly more aquatic facilities than the citizens of Red Deer have access to. As previous studies/surveys have clearly demonstrated, this is a priority for the citizens of Red Deer and the most efficient way to deliver this additional pool space would be a multi-use facility with a 54m swimming pool with bulkheads. For Q2 below, I believe the Rec Centre location is best. (city centre was not an option)
16	Apr 26, 2014 7:46 PM	SWIMMING POOL / MULTI-USE AQUATIC CENTRE - The City is in desperate need of additional multi-use aquatic space. Current aquatic space does not provide the citizens of Red Deer adequate opportunities for aquatic fitness. Pretty much every other city in Canada provides significantly more aquatic facilities than the citizens of Red Deer have access to. As previous studies/surveys have clearly demonstrated, this is a priority for the citizens of Red Deer and the most efficient way to deliver this additional pool space would be a multi-use facility with a 54m swimming pool with bulkheads. For Q2 below, I believe the Rec Centre location is best. (city centre was not an option)
17	Apr 26, 2014 7:21 PM	More shopping in the north end north of 67th street
18	Apr 26, 2014 5:05 PM	White Water Park and Play on the Red Deer River in the City of Red Deer
19	Apr 26, 2014 1:36 PM	More arts and culture.
20	Apr 26, 2014 12:46 PM	"Same as above. SOUTHEAST for an INTERNATIONAL VILLAGE to entice the visitors off the QE2 highway to drive through the City of Red Deer and on their way notice and spend their \$\$ at the fine hotels, eating establishments, sports and cultural amenities they bypass."

#	RESPONSE DATE	RESPONSE TEXT
21	Apr 26, 2014 7:10 AM	A large multiplex, pool, arena, the whole deal, there is no point in building a standalone 50m pool, but like I said, save for it first.
22	Apr 26, 2014 5:52 AM	If another ice rink isn't built within 5 years than it should be within 10.
23	Apr 26, 2014 4:32 AM	Additional swimming pool
24	Apr 25, 2014 8:16 PM	"PERFORMING ARTS CENTRE - RIVERLANDS This will support economic development and cultural tourism. It will also provide greater cultural opportunities for Red Deerians and Central Alberta residents without having to go to Edmonton and Calgary."
25	Apr 25, 2014 4:17 PM	Town Square
26	Apr 25, 2014 2:34 PM	"An indoor sports center that caters to indoor soccer and rugby, complete with a gym for training purposes. An indoor squash court at an existing or new facility."
27	Apr 25, 2014 5:29 AM	Waskasoo park enhancements and expansions.
28	Apr 25, 2014 3:53 AM	"Same as 5 year comments Add more arenas Indoor sport venues for tournaments ie. volleyball, basketball"
29	Apr 25, 2014 1:41 AM	Continue to develop the River Bend Golf and Recreation area
30	Apr 24, 2014 8:47 PM	"Indoor garden/conservatory Somewhere to go in the winter. Again, since the choices below are limited, I would like to see it central, down town."
31	Apr 24, 2014 7:39 PM	Another Rec Centre type facility
32	Apr 24, 2014 3:36 AM	Public sports amenities, Parks, Unique Shopping amenities, Local business amenities.
33	Apr 24, 2014 3:32 AM	Public shopping facilities which would help Red Deer's growth tremendously.
34	Apr 24, 2014 3:16 AM	Themed Community Amenities need to be introduced to Red Deer in the Southeast area of Red Deer. The South East lacks such things. We need big nice themed and hip areas thriving with business's, restaurants, local shops and hotels.
35	Apr 23, 2014 6:18 PM	1) Continue protection and park expansion 2) Add a second family facility (like the BUSY Collicutt Centre) - a 50 meter pool is not necessary
36	Apr 23, 2014 5:16 AM	"Affordable housing An outdoor performance venue larger than Bower Ponds"
37	Apr 23, 2014 12:32 AM	Better transit
38	Apr 23, 2014 12:14 AM	The Dawe Centre area has many young families and these areas are growing each year along with housing development.
39	Apr 22, 2014 7:53 PM	Large indoor exercise space
40	Apr 22, 2014 7:11 PM	"More multiuse trails Expand river park network"
41	Apr 22, 2014 5:46 PM	"Making sure parks/trails and places like Kerry Wood Nature Centre are able to thrive.. Affordable options for places like the Collicutt gym"
42	Apr 22, 2014 6:31 AM	"ball diamonds, soccer fields, tournament facilities"
43	Apr 21, 2014 7:09 PM	New library branch in the next 5-7 years
44	Apr 20, 2014 11:34 PM	"More parks. A full-sized Olympic pool."
45	Apr 20, 2014 9:06 PM	"Bicycle and walking trails, Ponds and picnic areas, Dog parks"
46	Apr 20, 2014 8:19 PM	"Additional rec centre in northeast, include fitness facilities of Collicutt and pool amenities of Dawe"
47	Apr 20, 2014 3:35 PM	Some more activities for youth.
48	Apr 20, 2014 2:00 PM	It would nice to a city run lazer tag, batting cages, a lego themed play centre. The ball diamonds down by Bower Ponds is pretty sad looking!!!! The stands really need to be improved!
49	Apr 20, 2014 1:07 AM	SNOW CLEARING!!!! Plow when it snows, like cities do who get much more snow than Red Deer. Throwing sand and gravel on snow and ice does very little for it. It's ridiculous!! Send some people to Newfoundland to see how snow should be dealt with.
50	Apr 19, 2014 9:28 PM	"Visual arts center, Year round farmers market Theater Community garden"
51	Apr 19, 2014 6:54 PM	Continued financial support for our aging amenities is necessary. River Bend Golf and Recreation Area has aged to the point that if the City does not step up to the plate the value of this 'Crown Jewel of the Waskasoo Park System' will continue to decline. As citizens of Red Deer we should be proud of this amenity and ensure it's ongoing success by financially supporting RBGRA. The citizens of Red Deer deserve to enjoy this golf course and parkland.
52	Apr 19, 2014 6:38 PM	River bend golf and recreation area

#	RESPONSE DATE	RESPONSE TEXT
53	Apr 19, 2014 4:51 PM	Indoor soccer
54	Apr 19, 2014 3:49 AM	Same as the five year
55	Apr 18, 2014 11:38 PM	More Trails for biking, roller balding and walking. NOT a BIKE LANE! Paved Trails!
56	Apr 18, 2014 10:26 PM	Swimming pool, outdoor fields, soccer, football. indoor basketball courts, badminton courts
57	Apr 18, 2014 8:58 PM	"Deeper and wider swimming pool - 50m, another ice arena, possibly a new museum"
58	Apr 18, 2014 8:20 PM	New, 50 m, competition legal pool is needed very badly
59	Apr 18, 2014 6:16 PM	See 5 year suggestions
60	Apr 18, 2014 4:10 AM	Another library
61	Apr 18, 2014 3:09 AM	Public library branch
62	Apr 18, 2014 2:39 AM	Increase in space at the Collicutt Centre to be able to accommodate more programs and people in the facility.
63	Apr 17, 2014 11:54 PM	Same as for 5 years, a facility with an oval indoor track
64	Apr 17, 2014 11:43 PM	More housing for seniors that need assisted living.
65	Apr 17, 2014 11:11 PM	Larger recreation facilities, increased bike paths around the city.
66	Apr 17, 2014 9:23 PM	The pools seem really busy lately with the growing city. So another rec pool, but not a super expensive one for lanes and diving.
67	Apr 17, 2014 9:22 PM	"An Aquatic Centre for sure. Larger Fitness Area's in all three facilities."
68	Apr 17, 2014 9:13 PM	Additional south pointe common
69	Apr 17, 2014 7:55 PM	ggggggg
70	Apr 17, 2014 6:33 PM	"We another sports centre! One like the one in GP. Love that they put on cooking lessons there while your kids are in the daycare :)"
71	Apr 17, 2014 6:28 PM	The cities growth will continue to need schools and Area shopping.
72	Apr 17, 2014 4:57 PM	Better park facilities - splash pads, playgrounds, ball diamonds, outdoor rinks, etc.
73	Apr 17, 2014 3:20 PM	Same as the 5 years.
74	Apr 17, 2014 3:10 PM	"A new arena, A subsidized bus available for rent to organizations who are not for profit"
75	Apr 17, 2014 3:09 PM	"Expanded cycling Infrastructure. I'll keep saying it. Nothing else will contribute to the overall health and livability of Red Deer, for so little ongoing maintenance costs. There are minimal staffing requirements and minimal maintenance. If done properly cycling infrastructure will encourage kids to ride to school, people to ride to work, and work toward reducing overall health care costs as people make healthier lifestyle choices. Again, all regions of the city need this."
76	Apr 17, 2014 2:58 PM	Swimming pool complex with dedicated swim lanes
77	Apr 17, 2014 2:54 PM	"Soccer. Ice rinks"
78	Apr 17, 2014 2:54 PM	Expand walking trails into new neighbourhoods, ensure continual upkeep of existing facilities. A recreation complex in the north end of the city.
79	Apr 17, 2014 2:45 PM	Same as #1
80	Apr 17, 2014 1:35 PM	Arts Center
81	Apr 17, 2014 10:24 AM	dog walking park
82	Apr 17, 2014 9:42 AM	50m pool
83	Apr 17, 2014 5:04 AM	Off the grid communities. Always continue to build bike/walking trails
84	Apr 17, 2014 4:50 AM	Ball diamonds, soccer pitches, arenas
85	Apr 17, 2014 4:29 AM	A collect centre type facility on the north end
86	Apr 17, 2014 4:24 AM	Same

#	RESPONSE DATE	RESPONSE TEXT
87	Apr 17, 2014 4:18 AM	"Please promote non-chain restaurants in the east part of the city. Red Deer desperately needs more fitness facilities for adults, available to the working person after typical work hours (4-7 pm). Adult lane swim with multiple lanes available 4-7 pm."
88	Apr 17, 2014 3:59 AM	Facility with 2 x 50m pools, soccer pitch, indoor track and ice rink
89	Apr 17, 2014 3:56 AM	A larger museum/archives, expanded rec center pool, a larger art gallery, more paved rink pads and better signage on trails (QR codes) and so on
90	Apr 17, 2014 3:44 AM	Schools
91	Apr 17, 2014 3:43 AM	Continue the walking trails. 10 years from now we will need even more schools at the current rate. Another library could be added at that point too I am sure.
92	Apr 17, 2014 3:38 AM	Break ground on a 50 meter indoor pool/new recreational facility
93	Apr 17, 2014 3:36 AM	Once we have the new pool all the water sports will be able to host events here and since were central Alberta this is the mostly likely place people would want to go. Making tourism better.
94	Apr 17, 2014 3:34 AM	"Maintain our existing amenities City hall in the civic centre Sport facilities that have pools, meeting spaces and rinks"
95	Apr 17, 2014 3:22 AM	Trails
96	Apr 17, 2014 3:18 AM	Aquatic and culture
97	Apr 17, 2014 2:15 AM	"Community rinks, Swimming pool, Trade school, Dog park, Older adult centres"
98	Apr 17, 2014 2:13 AM	Indoor 50 meter pool
99	Apr 17, 2014 1:58 AM	Courthouse
100	Apr 17, 2014 1:48 AM	"A large pool so we can quit talking about it, Another skateboard park"
101	Apr 17, 2014 1:06 AM	Better traffic flow
102	Apr 17, 2014 12:57 AM	"More pools/water park, Gym spaces"
103	Apr 17, 2014 12:29 AM	More large outdoor parks. Rotary etc. over capacity. 50m pool.
104	Apr 17, 2014 12:29 AM	Again, why do you assume it has to be outside the downtown? Is this survey geared towards multi-million dollar sports centres? Haven't we got enough of those?
105	Apr 17, 2014 12:26 AM	Better access to lane swimming
106	Apr 17, 2014 12:24 AM	"50 meter pool in a new community center that includes indoor skating rinks, library, track, field houses, baseball practice areas, gyms, weight rooms and meeting rooms. Possibly include a yoga studio. All year hockey rink for pick up hockey players or schedule times for drop in hockey convenient for all ages another water park with better features (both indoor and outdoor), more trails esp in the north end, another off leash dog park, bike lanes on all city trails that are safe for pedestrians and cyclists."
107	Apr 17, 2014 12:14 AM	Infrastructure
108	Apr 16, 2014 11:59 PM	Housing for all the homeless & severely mentally ill.
109	Apr 16, 2014 11:18 PM	start to plan for light rail transit system because the red deer area almost has 200,000 people, I am not saying that we should build a light rail system but we need to plan for it.
110	Apr 16, 2014 11:04 PM	Swimming pool.
111	Apr 16, 2014 10:48 PM	Arenas, sporting fields,
112	Apr 16, 2014 5:07 PM	"My previous answer regarding the 5 year plan fits here as well. The questions regarding location and sport facilities makes the most sense to me to expand to the south and west. The Gasoline Alley district, Red Deer College and growing across the QE2 make more sense that growing to the north where it butts up against industrial. It makes sense from an access side of things and there are no other restrictions. It requires a renewed partnership and long term vision with Red Deer County, while I'm unsure of the population forecast for 2024, I suspect that it will be in the 130,000 range, this may suggest the opportunity to build another outdoor pool. Other areas I'd like to see planned are an outdoor festival site, expanded facilities at the West-erner beyond that of the agricultural variety."

#	RESPONSE DATE	RESPONSE TEXT
113	Apr 16, 2014 4:47 PM	More playgrounds, parks, green spaces for walking
114	Apr 16, 2014 4:32 PM	Horseshoe courts
115	Apr 16, 2014 3:48 PM	"Better Speed controls (Drivers), Better roads and street maintenance. Move Paving replacement in older areas. Better Crime Control. Complete City of Red Deer Council and Spending being open to public discussion. All areas of city."
116	Apr 16, 2014 3:15 PM	Perhaps they may need to develop home care but not nursing for seniors.
117	Apr 16, 2014 2:39 PM	Olympic Pool is a current gap. The price tag is significant but we need to find a way in the next 10 years.
118	Apr 16, 2014 2:18 PM	Out door, free fun
119	Apr 16, 2014 12:36 PM	We need a bigger pool. Don't stop supplying firewood for our parks. Having fires in our parks is inexpensive for Red Deer families. It has cost so much money for bike lanes and fixing bike lanes and then you take the firewood away which cost 25 to 40 thousand a year and everyone can use it. PLEASE start supplying wood for our parks before people just cut wood from the surrounding trees. I work at a school and everyone is very disappointed about the firewood.
120	Apr 16, 2014 3:52 AM	I think another facility like the Collicutt only this time model it more like what St. Albert and Sherwood Park have done. Their facilities have ours beat hands down. They are much more efficient and user friendly. The "soccer pitches" should not be promised to the soccer players as lacrosse, ball hockey, and inline would also like to use these facilities
121	Apr 16, 2014 3:38 AM	Indoor play structure for children. Similar to what was just put up at the Abbey centre in Blackfalds.
122	Apr 16, 2014 3:34 AM	"I do not know what needs will arise in that time frame, but I see an apparent rise in violent crime, drug use, crimes by transient population, and potential for definitive gang activity. Aside from that, I would just hope that we can ensure adequate care for the homeless population in the meantime, as last winter was a dangerous wake up call about the resources we can offer."
123	Apr 16, 2014 12:44 AM	Indoor parks so that children can enjoy playgrounds during the winter. All throughout Red Deer.
124	Apr 16, 2014 12:11 AM	Same. More roads to accommodate the growth.
125	Apr 16, 2014 12:11 AM	Better roads, concert hall
126	Apr 15, 2014 11:28 PM	"1. Train stations to connect red deer with Calgary and Edmonton 2. International airport"
127	Apr 15, 2014 10:06 PM	Another splash park
128	Apr 15, 2014 9:55 PM	Proper swimming pools. See: Lawsen Aquatic Centre in Regina for ideas on how to have proper pools without extravagant overbuild.
129	Apr 15, 2014 9:33 PM	We need a skate park in the south part of the City. An indoor playground. An improved mountain bike park. Yoga studios at the Collicutt Centre
130	Apr 15, 2014 9:28 PM	"Downtown concert arts hall/venue. Community Gardens"
131	Apr 15, 2014 9:25 PM	More dryland space
132	Apr 15, 2014 9:03 PM	"Green incentives for developers in place Implementing a vision of re-allocation of existing developed areas with increased density more walkable spaces and routes to amenities a site for a local year-round market, with walkable gathering spaces , oportunities for artists, local food vendors, coffe, ice cream a place to walk the dog a see people and local businesses; thoughtful community planning and environmental values integrated into development planning - more oversight for development towards a healthy community instead of depressing pockets of boom growth; community greenhouses; redeveloped parks that are more community spaces with BBQ pits, seating, food gardens"
133	Apr 15, 2014 8:58 PM	a library in the south would be awesome
134	Apr 15, 2014 8:43 PM	New Theatre
135	Apr 15, 2014 8:43 PM	A subway to supplement the bus system, preferably individual people movers. Driverless. Underground for weather considerations. See airport trams driverless and small for reduced point to point rapid transit. No schedules. No routes. Tell the tram destination. It drops u off and continues to next customer. Most important. Unimpeded main line. With secondaries for loading.
136	Apr 15, 2014 8:42 PM	50 metre pool.
137	Apr 15, 2014 8:35 PM	"- a new spray and splash park in the northeast of the city - a new skateboard park in the south end of the city - a new culture centre in the downtown - possibly in the Central School building"
138	Apr 15, 2014 8:34 PM	Another Collicutt Centre

#	RESPONSE DATE	RESPONSE TEXT
139	Apr 15, 2014 8:32 PM	See Question #1
140	Apr 15, 2014 8:32 PM	"More multi-use wide asphalt trails. More facilities like the Collicutt Centre.
141	Apr 15, 2014 8:28 PM	rec center similar to Collicutt in north red deer and river walk with public market (year round)
142	Apr 15, 2014 8:16 PM	Synchronized traffic lights. More monster parks (natural areas like Gaetz Lakes and Maskepatoon). Let's have some cool ""nature appreciation"" areas that draw large swaths of the Central Alberta population. Hazlette Lake and the big ridge east of town are good opportunities to showcase nature."
143	Apr 15, 2014 8:14 PM	Same answer as below, but with more dispersal throughout the community
144	Apr 15, 2014 8:13 PM	-Swimming pool and facility like Collicutt
145	Apr 15, 2014 8:10 PM	Continue to expand the trail system and make the city more pedestrian friendly.
146	Apr 15, 2014 7:54 PM	None Plow the roads so we can get to them
147	Apr 15, 2014 7:52 PM	Meeting spaces for community organizations
148	Apr 15, 2014 6:27 PM	Same as 5 years. Location doesn't matter, just something that is affordable.
149	Apr 15, 2014 6:21 PM	A muti purpose facility with big enough rooms for dance workshops or other similar uses (min 3 rooms)
150	Apr 15, 2014 6:20 PM	"An arts centre as described in the 5 year plan, because I am guessing it might not be accomplished within 5 years; we need to think beyond our borders and present to the province and beyond, the fact that Red Deer has a thriving arts community eager to engage citizens and showcase the talent to be found in our region, in all the arts. We have world class performers, artists and writers with no space dedicated to showcasing their talents. We need a large multi-purpose arts centre with lots of different studio spaces, program spaces, children's craft and art space, exhibit space, performance space for live theatre and concerts, large enough to bring the world to Red Deer."
151	Apr 15, 2014 5:54 PM	Again, I have no idea. What are the considerations? Population, special events, etc? This is very difficult to answer without some background/context.
152	Apr 15, 2014 3:26 PM	l) A second rink at Dawe
153	Apr 15, 2014 1:19 PM	Natural playgrounds
154	Apr 14, 2014 11:17 PM	Same as last one, roller parks.
155	Apr 14, 2014 10:30 PM	Maintain what we have. Let the private sector build.
156	Apr 14, 2014 10:14 PM	"- same as #1 - another recreation centre as the one downtown is an older building and it might cost more to upgrade than to build. I know some renovations have been done but another centre would be ideal for our growing city.
157	Apr 14, 2014 8:43 PM	"A new museum, A new senior centre"
158	Apr 14, 2014 8:31 PM	"Another indoor ice rink at the Collicutt Centre, New indoor 50M pool"
159	Apr 14, 2014 8:31 PM	"Concert hall, More libraries, More bike trails that connect all the way through the city, More frequent bus service"
160	Apr 14, 2014 7:41 PM	Major sport facilities.
161	Apr 14, 2014 5:52 PM	Everything! Mixed use developments with parks and community centres within which to gather, Collicutt Centre 2, increased transit services, interconnected contiguous trail network.
162	Apr 13, 2014 11:50 PM	"An indoor field turf (ie. grass-like not carpet) facility for soccer, ultimate frisbee, etc. Lawn bowling."
163	Apr 13, 2014 4:01 PM	"Old age care community center - expand the Golden Circle offerings I noticed that you don't offer an option of center of town - many older people are downtown."
164	Apr 13, 2014 1:39 AM	A community center in Timberlake.
165	Apr 12, 2014 7:31 PM	Community amenities should be an on-going development so as not to impact the city budget all at once.
166	Apr 12, 2014 4:14 PM	Another full sports complex like the Collicutt centre
167	Apr 12, 2014 3:49 PM	A community center with multiple ice surfaces, public library, possibly attached to the 50 m pool that was built.
168	Apr 12, 2014 3:52 AM	"50m pool indoor soccer/lacrosse"
169	Apr 12, 2014 1:42 AM	"Aquatics facility Concert/theatre facility"

QUESTION 4:

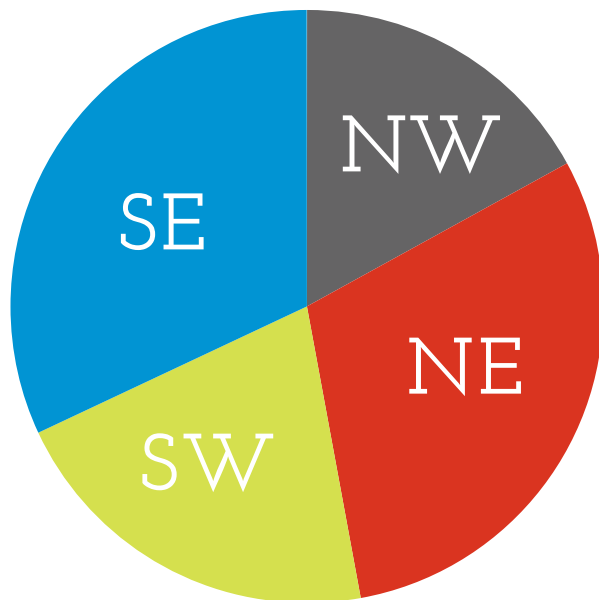

Considering this for a 10 year plan,
where should these community amenities be in the city?

Answered Question 130

Skipped Question 100

#	RESPONSE DATE	RESPONSE TEXT
1	Apr 30, 2014 11:53 PM	the red deer elks foundation
2	Apr 30, 2014 8:09 PM	- Velodrome
3	Apr 30, 2014 4:39 PM	See previous comments and hopefully we level the playing field and have a facility they we all can enjoy at a reasonable cost for many years to come.
4	Apr 30, 2014 12:21 AM	Everything, pools, arenas, rec facilities, definitely replace the memorial centre and maybe combine it with a museum have and arts and cultural centre maybe in riverlands new development. The old memorial centre should have been torn down years ago. Please don't wait 20 years for this
5	Apr 29, 2014 5:30 PM	River Bend Golf Course needs work
6	Apr 29, 2014 2:59 PM	"Trail system. No to a 50 m pool"
7	Apr 29, 2014 2:57 PM	"Trail system. No 50 m pool! No to a tax levie."
8	Apr 28, 2014 5:11 PM	The River Bend Golf Course and Recreation Area needs Capital reinvestment from The City to ensure its long term sustainability as a quality public golf course and recreation amenity in The City.
9	Apr 28, 2014 4:52 PM	We will need a New Multi Plex type facility with all the amenities similar to Collicutt within the next 10-15 years
10	Apr 28, 2014 4:27 PM	Continued capital support for the River Bend Golf and Recreational area.
11	Apr 27, 2014 2:34 PM	Recreation with focus on sustaining Riverbend Golf course.
12	Apr 27, 2014 2:18 PM	Green spaces for baseball football soccer
13	Apr 27, 2014 2:16 PM	New facility for the symphony
14	Apr 26, 2014 8:10 PM	SWIMMING POOL / MULTI-USE AQUATIC CENTRE. Once this is taken care of, the remaining recreational facilities in Red Deer are also quite dated and will need some renewal (only exception is horseshoes, curling, tennis, and gymnastics). Red Deer is quickly becoming a city whose residents need to travel to outlying communities for recreation opportunities. We go to Sylvan Lake/Lacombe to swim, play hockey in Blackfalds/Penhold, travel to Red Deer County for gym space. Most communities have a strategy to renew/upgrade/improve recreation facilities. Red Deer has spent money on facilities without increasing availability of recreation opportunities (Dawe didn't add ice space and didn't address pool space issues, Rec Centre upgrade was essentially to add city office space, nothing related to aquatics) Red Deer should look at other cities in Alberta and understand how they are able to deliver up-to-date quality recreation facilities at a tax rate similar to or less than what Red Deer residents pay.
15	Apr 26, 2014 7:22 PM	Improved infrastructure, more shopping
16	Apr 26, 2014 5:06 PM	White Water Park and Play on the Red Deer River in the City of Red Deer
17	Apr 25, 2014 8:18 PM	1. PERFORMING ARTS CENTRE - RIVERLANDS 2. NEW CITY OF RED DEER ARCHIVE
18	Apr 25, 2014 4:19 PM	Water front drive, boat dock,
19	Apr 25, 2014 2:34 PM	Not sure
20	Apr 25, 2014 5:30 AM	Rec facilities.
21	Apr 25, 2014 3:56 AM	Arts / theatre complex; Museum upgrade; If aquatic centres haven't been built, we'll definitely need a couple by now

#	RESPONSE DATE	RESPONSE TEXT
22	Apr 24, 2014 8:48 PM	An expansion to the Westerner will likely be needed by then for sure!
23	Apr 24, 2014 7:40 PM	Another College University
24	Apr 24, 2014 3:38 AM	Public shopping centers, public theater area, public arena's for concerts and events and lastly more community living homes.
25	Apr 24, 2014 3:33 AM	Public areas the citizens can get together and bond and get interacting such as through music or the theater or art!
26	Apr 24, 2014 3:22 AM	Public shopping amenities with local shops that support the community. Year round farmers markets to serve the public fresh food and various other objects yearly. Community living public housing areas. Various beautiful Camp Grounds offering a number of outdoor activities. Community sports center offering a variety of year round sports that branch out to more people.
27	Apr 23, 2014 6:19 PM	"1) Trails to Sylvan Lake 2) A 50 meter pool 3) a cross country ski centre"
28	Apr 23, 2014 5:16 AM	Affordable housing
29	Apr 23, 2014 12:35 AM	Transportation improvements so downtown does not become a freeway. Promote other ways of getting around high density commercial areas.
30	Apr 23, 2014 12:16 AM	The same area because it has improved but could be larger to accommodate the population. Maybe a second floor on recreation area is an idea since it is only one level.
31	Apr 22, 2014 7:54 PM	Improvements to current recreation facilities - expansions to existing to meet growth needs.
32	Apr 22, 2014 7:12 PM	University
33	Apr 22, 2014 6:32 AM	Keep adding sports
34	Apr 20, 2014 9:07 PM	Ring road
35	Apr 20, 2014 8:19 PM	Facility like Dowe Centre in Fort Sask where culture and recreation can support each other.
36	Apr 20, 2014 3:36 PM	A concert hall.
37	Apr 20, 2014 2:02 PM	Just build onto the ones we already have. If you build a new one less people will attend the older places.
38	Apr 20, 2014 1:07 AM	I don't plan to stay here that long.
39	Apr 19, 2014 9:28 PM	Year round use parks & outdoor recreation
40	Apr 19, 2014 6:55 PM	Same comments as 5 and 10 years.
41	Apr 19, 2014 6:38 PM	River Bend golf and recreation area
42	Apr 18, 2014 11:39 PM	A new Theater for concert's and plays.
43	Apr 18, 2014 10:30 PM	Swimming pool, outdoor fields, football,soccer, indoor basketball, badminton
44	Apr 18, 2014 9:04 PM	A 1000 - 1500 seat concert hall DT; a new museum and archives DT; a new 10000 seat arena DT; possibly a new City Hall DT; trend has many of the big ticket items relocating back to the City Centre to promote revitalization after many years of locating them outside of the DT
45	Apr 18, 2014 8:20 PM	New, 50 m, competition legal pool is needed very badly.
46	Apr 18, 2014 3:09 AM	Public library branch
47	Apr 18, 2014 2:40 AM	Continue to work on the redevelopment of the riverlands area.
48	Apr 17, 2014 11:54 PM	same as for 5 years, a facility with an oval indoor track
49	Apr 17, 2014 11:45 PM	New Arena
50	Apr 17, 2014 9:24 PM	Recreation facilities, parks, and continuous improvement on the town down core.
51	Apr 17, 2014 6:34 PM	Something along the river. The speed rail as well.
52	Apr 17, 2014 3:12 PM	Increased efficiency of downtown planning for high density building. Walkways and passovers in the downtown core, less pedestrian interference to traffic in the core.
53	Apr 17, 2014 3:09 PM	Same answer.
54	Apr 17, 2014 2:59 PM	"Swimming pool with dedicated swim lanes, Hockey arena"

#	RESPONSE DATE	RESPONSE TEXT
55	Apr 17, 2014 2:55 PM	Maybe a 50 m pool, because the city actually saved some money instead of debt financed.
56	Apr 17, 2014 2:55 PM	Only study of growth can decide this for sure,
57	Apr 17, 2014 1:36 PM	Arts Center
58	Apr 17, 2014 10:25 AM	Walking trails to continue to link the city
59	Apr 17, 2014 9:42 AM	50 m pool
60	Apr 17, 2014 5:06 AM	Off the grid homes. Continue to develop community gardens.
61	Apr 17, 2014 4:51 AM	More of everything. The city is growing rapidly
62	Apr 17, 2014 4:30 AM	The riverlands area, mix residential and commercial.
63	Apr 17, 2014 4:24 AM	Same
64	Apr 17, 2014 4:18 AM	Please promote non-chain restaurants in the east part of the city. Red Deer desperately needs more fitness facilities for adults, available to the working person after typical work hours (4-7 pm). Adult lane swim with multiple lanes available 4-7 pm.
65	Apr 17, 2014 4:02 AM	New larger Memorial Centre for fine arts
66	Apr 17, 2014 3:56 AM	high speed rail
67	Apr 17, 2014 3:44 AM	Schools
68	Apr 17, 2014 3:44 AM	Keep on going! More rec centres, community centres/community halls, schools, parks, pools, walking trails. NO BIKE LANES!!! They are terrible here! Expand the walking trails. Location depends on how the city develops.
69	Apr 17, 2014 3:39 AM	Pool; Track; More ice rinks
70	Apr 17, 2014 3:38 AM	Hosting Canada games because we will have a pool and great tourism by than.
71	Apr 17, 2014 3:35 AM	Art centre; New museum; New city hall; Second hospital location
72	Apr 17, 2014 3:22 AM	Public gym. Basketball courts.
73	Apr 17, 2014 3:19 AM	Rebuild the town core
74	Apr 17, 2014 2:20 AM	Schools; Park; Policing; Shopping ; Senior friendly amenities
75	Apr 17, 2014 2:13 AM	Indoor 50 meter pool. Need this ASAP.
76	Apr 17, 2014 1:07 AM	A better infrastructure to help homeless and endangered people
77	Apr 17, 2014 12:58 AM	More parks/ rec areas
78	Apr 17, 2014 12:32 AM	Ring road system.
79	Apr 17, 2014 12:30 AM	How are you defining amenities? Extras over and above facilities necessary to run the City? How about decent transit service that doesn't stop just when low income earners are getting off their shift work?
80	Apr 17, 2014 12:26 AM	Activity and cultural centers
81	Apr 17, 2014 12:15 AM	Ring road
82	Apr 17, 2014 12:00 AM	"Bike traffic solutions, Quick response to extreme weather"
83	Apr 16, 2014 11:20 PM	A good skyline, a university, and maybe a light rail train system in developmental stages at the end of the 20 year mark.
84	Apr 16, 2014 11:05 PM	"Multiplex; Race track ; Arts center."
85	Apr 16, 2014 5:09 PM	By the 20 year point we will have grown towards Blackfalds. With their new Abbey Centre, the aging Collicutt Centre and many other civic facilities it makes sense to grow to the south or northwest on the other side of the QE2. An additional outdoor pool fits the bill here. I'd also suggest to the City planners that they look to neighbourhood development models like Saskatoon. In all new communities they leave a space for a paddling pool/shelter or a spray park. These future community amenities are then determined by the neighbourhood association, which of course Red Deer struggles to mobilize. Good luck!

#	RESPONSE DATE	RESPONSE TEXT
86	Apr 16, 2014 3:49 PM	Same as Present and for 10 yrs. plan
87	Apr 16, 2014 3:16 PM	Again, they may need to develop home care but not necessarily home nursing for seniors.
88	Apr 16, 2014 2:18 PM	Out door free fun
89	Apr 16, 2014 3:55 AM	Upgrade our present facilities such as the Kinex and Kinsmen Rinks with larger dressing rooms and possibly more dressing rooms. Money was spent on modernizing the Kinex but the dressing rooms were not really touched
90	Apr 16, 2014 3:39 AM	Expansion, refreshment for the Collicutt Centre.
91	Apr 16, 2014 3:39 AM	"The ring road project is already going ahead, but we will need to continue to assess transit infrastructure options as the city expands. Currently it is too early to justify LRT, but it may some day become a reality, and new land allocations should possibly reflect this, with unused or reallocatable sections along future lines. Additionally, it would be wonderful to see ANY speed passenger rail service to Edmonton and Calgary, but of course I do not expect Red Deer to foot the entire bill for this - just offering general ideas on what could help in coming decades."
92	Apr 16, 2014 12:44 AM	Expanded Collicutt Center facility.
93	Apr 16, 2014 12:12 AM	With increased growth more pools & Rex facilities might be needed in the east side.
94	Apr 16, 2014 12:12 AM	Better roads and traffic lights.
95	Apr 15, 2014 11:28 PM	International airport!
96	Apr 15, 2014 9:56 PM	More ice rinks, preferably at least 2 to a building.
97	Apr 15, 2014 9:40 PM	Wave rider at the Collicutt Centre. Olympic size swimming pool. Olympic size ice surface. Indoor speed skating oval.
98	Apr 15, 2014 9:31 PM	"Downtown concert/performing arts hall or venue. A Mediatech, Large art gallery"
99	Apr 15, 2014 9:25 PM	50 m pool that can host national competitions
100	Apr 15, 2014 9:05 PM	If it is true that Red Deer is primed to double in the next 20 years, then alarm bells should be ringing now and solid planning underway. In 20 years at this rate, we will need housing, commercial spaces, schools, pools, rinks, soccer fields...etc. Some control and consideration as to what kind of community we can be is warranted.
101	Apr 15, 2014 8:59 PM	a replacement for the memorial centre - somewhere to watch music concerts that isn't a hockey arena. How come we are restricted to the 4 quadrants of the city when you ask "where". I think a concert hall would be perfect downtown, but this doesn't seem to be a consideration?
102	Apr 15, 2014 8:50 PM	Underground road bypass north south and east west.
103	Apr 15, 2014 8:42 PM	50 metre pool.
104	Apr 15, 2014 8:36 PM	"- a new culture centre, - a new performing arts centre or a major extension on the Memorial Centre,- more neighbourhood skate board parks in areas that don't already have one, -a year round public market where artisans can also make and sell their wares"
105	Apr 15, 2014 8:33 PM	Big infrastructure networks for commuter traffic that doesn't overlook alternative transportation methods like transit, biking, and walking/jogging.
106	Apr 15, 2014 8:32 PM	See Question #1
107	Apr 15, 2014 8:28 PM	Continue to develop river walk and public market and make north red deer a great place to live and not just a place where immigrants and low income people live
108	Apr 15, 2014 8:16 PM	Overpasses and extra lanes to accommodate increasing traffic. Bike trails that access the whole city.
109	Apr 15, 2014 8:15 PM	With a look to the future, creating amenities for gathering, arts and culture and recreation will need more than ever to happen at the neighbourhood level. If we are going to radically reduce carbon emissions, which is critical, we need to plan for these amenities in ways that promote use of public transit, walking and cycling rather than the private car.
110	Apr 15, 2014 8:13 PM	Swimming pool, and
111	Apr 15, 2014 8:12 PM	Performing arts center that can host events by traveling artists like concerts, ballet companies, theatrical productions with large staging requirements.
112	Apr 15, 2014 7:54 PM	New city manager and public works manager
113	Apr 15, 2014 7:53 PM	Senior and disability friendly facilities

#	RESPONSE DATE	RESPONSE TEXT
114	Apr 15, 2014 6:27 PM	Same as previous.
115	Apr 15, 2014 6:22 PM	A muti purpose facility with big enough rooms for dance workshops or other similar uses
116	Apr 15, 2014 6:20 PM	I hope by now we have the centre I described!
117	Apr 15, 2014 3:28 PM	Create a circle drive on east and west side of city that moves this major traffic corridor well out of the city limits, in order to keep noise of vehicular traffic from permeating every subdivision in the city.
118	Apr 15, 2014 1:20 PM	Natural playgrounds
119	Apr 14, 2014 11:17 PM	Same as before.
120	Apr 14, 2014 10:17 PM	"- Take a look at what is available and buildings' age/use, etc. and expand from there. We will be a population of over 100 thousand and the age of that population will be ever-changing. - Keep up with the road maintenance,- Keep up with the natural trail maintenance
121	Apr 14, 2014 8:43 PM	To far in advance
122	Apr 14, 2014 7:41 PM	Major sport facilities.
123	Apr 14, 2014 5:52 PM	Everything! Mixed use developments with parks and community centres within which to gather, Collicutt Centre 2, increased transit services, interconnected contiguous trail network.
124	Apr 13, 2014 11:50 PM	A lot! But we need to stop pushing everything out beyond 10 years.
125	Apr 13, 2014 9:42 PM	Trying to get the summer Olympics or Commonwealth games would be a great goal. Working with the county towards something like this would be advantageous.
126	Apr 13, 2014 1:42 AM	Either update Great Chief Park (may have happened, I haven't been down there in a while) or build a multi purpose outdoor sport facility (football/ baseball/track in summer X-country skiing in Winter)
127	Apr 12, 2014 7:31 PM	As before community amenities should be an ongoing project..
128	Apr 12, 2014 3:52 PM	A speed skating oval added to the current sports center in south west.
129	Apr 12, 2014 3:52 AM	Hockey rinks
130	Apr 12, 2014 1:45 AM	More "active living" facilities - expand our trail network, create new facilities to engage and encourage our youth, create more "quality of life" initiatives for our seniors, as there are going to be many more of them in the coming years.

CRITERIA FOR AMENITY PRIORITIZATION

COMPARISON OF PUBLIC AND COUNCIL CRITERIA RANKING

The Citizens of Red Deer and Red Deer City Council were asked to rank the importance of criteria that will be used to guide decision making regarding our City's amenities.

1. Public Response - Online & Other

PUBLIC AMENITY CRITERIA	RANK
Social Investment Community Benefit	1
Economic Opportunity	2
Amenity Utilization	3
Financial Viability	4 (tied)
Community Voice	4 (tied)
Amenity Geography	5
Development Timing	6

2. Public Response - Let's Talk Budget

PUBLIC AMENITY CRITERIA	RANK
Social Investment Community Benefit	1
Economic Opportunity	2
Amenity Utilization	3
Financial Viability	4
Community Voice	6
Amenity Geography	5
Development Timing	7

3. Public Response - Combined

PUBLIC AMENITY CRITERIA	RANK
Social Investment / Community Benefit	1
Economic Opportunity	2
Amenity Utilization	3
Financial Viability	4
Community Voice	5
Amenity Geography	6
Development Timing	7

4. City Council Response

COUNCIL AMENITY CRITERIA	RANK
Social Investment / Community Benefit	2
Economic Opportunity	4 (tied)
Amenity Utilization	5
Financial Viability	3
Community Voice	1
Amenity Geography	6
Development Timing	4 (tied)

AMENITY PRIORITIZATION

INPUT FROM VARIOUS CONSULTATIONS

There were several means employed to gather public input during this process. The following charts show the differences in data collected.

1. Public Online Survey Ranking

RANK	AMENITY		TOTAL COUNT	% OF RESPONDENTS
1	New Indoor / Outdoor Amenities	More Trails	304	26.81%

AQUATIC AD-HOC COMMITTEE RECOMMENDATIONS:

Over the past decade there has been considerable discussion about the value of incorporating an indoor 50-metre multi-use pool into the inventory of recreation facilities. The Red Deer Multi-Use Aquatic Centre Ad Hoc Committee was formed to review essential information and make recommendations to City Council regarding the proposed aquatic facility. The Committee chose the four principles of Accessibility, Fiscal Responsibility, Community-Focused, and Sustainability as lenses for their discussions and decision-making processes. Based on information that is currently available, the Committee passed resolutions on guiding principles, amenities, dive tank, LEED, site, cost estimate, and aquatic standards, and recommendations were made regarding construction phasing and the future of the Michener Centre as an aquatic facility.

These resolutions and recommendations were submitted for Council's consideration to inform the Community Amenity Plan and the 2015-2024 Capital Budget Plan.

REPORT DETAILS

BACKGROUND:

During the 2014 Capital Budget debate, Council approved a resolution in which administration and council develop and undertake an engagement process about the Aquatic Centre with the community. **November 26, 2013 Council Resolution:**

Whereas Red Deerians have envisioned and have been working together for decades to become a destination for sports tourism in Alberta and Western Canada, and

Whereas throughout the past number of years Red Deer City Council and administration have heard repeatedly from the community the desire for an aquatics centre with a 53 meter pool that would allow Red Deer to host national and international competitions, and

Whereas 80 percent of Albertans live within two hours travel by vehicle from Red Deer which affords us an ideal host location, and

Whereas the population of Red Deer is increasing by 3% a year, and will reach nearly 150,000 by 2027 (the earliest year a centre could be completed with our current plan), and

Whereas the economic benefit for Red Deer and the region of a facility that allows Central Alberta to host national and

international competitions will have a substantial influence on the hospitality and tourism industries, as well as broaden our economic base, and

Whereas the facility will provide recreational opportunities for seniors, youth, and families and deepens the quality of life in Red Deer, and

Whereas this facility would provide quality training facilities for future aquatic athletes, and

Whereas Red Deer has a history of excellence, forward-looking leadership, and has a “can-do” attitude - citizens tell us to figure out how to make things happens, not to find reasons why things can't be done,

Therefore be it resolved that administration and council develop and undertake an engagement process about the Aquatic Centre with the community which explores both the benefits and issues — social, economic and operational, and

Be it further resolved that The City of Red Deer create an ad hoc committee, early in 2014, consisting of members of the Aquatics Centre, the general public, as well as other orders government, to further develop and determine the phasing of an aquatics centre with the Central Alberta Aquatic Centre and to explore grants, major sponsorships, and fundraising strategies; and

Be it further resolved a report come back to Council by October 2014, for Council to make a determination about the phased construction of an aquatics centre and its placement in the capital plan.

At the March 17, 2014 City Council meeting, after considering a report regarding Dialogue and Engagement, a resolution was approved to establish the Red Deer Multi-Use Aquatic Centre Review Ad Hoc Committee. **March 17, 2014 Council Resolution:**

Resolved that Council of The City of Red Deer having considered the report from the Office of the City Manager, dated March 12, 2014, re: *Dialogue and Engagement: Community Amenities*, hereby agrees to establish the Red Deer Multi-Use Aquatic Centre Review Ad Hoc Committee and approves the following terms of reference for the Committee, with the recruitment for members to commence immediately.

Recruitment for committee membership began immediately. Ads were placed in the Red Deer Advocate seeking individuals interested in committee membership, applications were accepted, and members were appointed at the April 14, 2014 Regular Council meeting. **April 14, 2014 Council**

Resolution:

Resolved that Council of The City of Red Deer hereby appoints the following to serve as citizen representatives on the Red Deer Multi-Use Aquatic Centre Review Ad Hoc Committee as follows:

Curtis Bouteiller	Citizen Representative
Serge Gingras	Citizen Representative
David Lustgarten	Citizen Representative
Garfield Marks	Citizen Representative
Michelle Quigg	Citizen Representative
(John) Paul Stewart	Citizen Representative

Resolved that Council of The City of Red Deer hereby agrees to amend the resolution regarding the Multi-Use Aquatics Centre Review Ad Hoc Committee terms of reference as adopted on March 17, 2014 by changing the Council membership from one (1) to two (2) members.

Resolved that Council of The City of Red Deer hereby appoints the following to serve as Council representatives on the Red Deer Multi-Use Aquatic Centre Review Ad Hoc Committee as follows:

Councillor Dianne Wyntjes
Councillor Lawrence Lee

Resolved that Council of The City of Red Deer hereby appoints the following to serve as Central Alberta Aquatic Committee Representatives on the Red Deer Multi-Use Aquatic Centre Review Ad Hoc Committee as follows:

Jack Cuthbertson
Grant Howell

The Recreation Parks & Culture Manager acted as a liaison to the committee. City staff attended the meetings as required to provide support and information to the Committee. Upon consent of the Committee, a Facilitator (Darlene Wilson) was engaged to maximize the efficiency of the Committee process given the timeline and necessary deliverables.

Over the past nine weeks, the Committee has met 10 times, totaling more than thirty hours.

DISCUSSION:

As per the Terms of Reference, the Committee began its work with an extensive orientation. This orientation included the review of a number of City Planning documents and other relevant studies and information, a presentation by the Central Alberta Aquatic Committee, and a presentation by MTA + MJMA Architects and Associates (2011 Red Deer Multi-Use Aquatic Centre reports). The purpose of this orientation was to ensure that all committee members shared a common understanding and knowledge of the base subject.

The committee then developed a set of principles that would help guide their decisions. These principles included: Accessibility, Fiscal Responsibility, Community Focused and Sustainable.

These principles were then applied to the decision making process for identifying the included amenities and location identification, as well as the discussions related to the outdoor pool and future of Michener Centre in the provision of aquatic services for the city.

The attached report provides a summary of the committees work and discussions including additional comments for Council consideration.

ANALYSIS:

The Red Deer Multi-Use Aquatic Centre Review Ad Hoc Committee respectfully submits the following resolutions for Councils information and consideration to inform the community amenity plan and 2015-2024 Capital Budget Plan:

1. “Resolved that the Red Deer Multi-Use Aquatic Centre Review Ad Hoc Committee, having discussed amenities to be included in a multi-use aquatic facility, hereby endorses a multi-use aquatic centre in Red Deer to include the following amenities:

- ten lane pool (54 metres), with two bulkheads
- hot tub
- moveable floor
- outdoor leisure pool (25 metres)
- childcare area
- retail space
- concession space
- wellness area
- flexible meeting space
- multi-purpose room
- swim club space
- timekeeping space
- sauna/steam room
- spectator seating
- sunbathing terrace

2. “Resolved that the Red Deer Multi-Use Aquatic Centre Review Ad Hoc Committee, having discussed amenities to be included in a multi-use aquatic facility, hereby endorses a separate diving tank to be included in a multi-use aquatic facility in Red Deer, and forwards this to Council for consideration.”

3. “Resolved that the Red Deer Multi-Use Aquatic Centre Review Committee, having considered the options for LEED Certification, hereby agrees to proceed on the basis that LEED shadow processes be achieved at a minimum.”

4. “Resolved that the Red Deer Multi-Use Aquatic Centre Review Ad Hoc Committee, having discussed a location for a multi-use aquatic facility, hereby endorses the Rotary Recreation Park site for a multi-use aquatic centre in Red Deer, and forwards this to Council for consideration.”

5. “Resolved that the Red Deer Multi-Use Aquatic Centre Review Committee, having considered cost estimates for the multi use aquatic facility, hereby endorses an estimated total amount of \$74.65 M, which includes the 2013 estimated cost of \$71.15 M for the recommended indoor facility and the \$3.5 M estimated cost of the recommended outdoor pool. This does not include any green features or LEED principles.”

6. “Resolved that the Red Deer Multi-Use Aquatic Centre Review Committee, hereby recommends that the Red Deer multi-use aquatic facility be built to meet the FINA standards for national competitions. Note: FINA (Fédération Internationale de Natation) standards will allow the proposed facility to compete for provincial and national competitions.

Further, the Committee puts forward the following recommendations:

- 1. Phasing.** Based on costing information presented to the Committee, construction phasing is not recommended as a fiscally responsible or cost effective option for the proposed aquatic facility.
- 2. Michener Centre.** The Committee strongly expressed that The City of Red Deer cannot afford to lose the existing aquatic facilities of the Michener Centre. As well, the Committee recommended that The City of Red Deer should pursue all avenues to keep the Michener Aquatic Centre open and maintain it as an aquatic facility, and should consider the pursuit of partnerships and/or a potential “gifting” of the facility from the Province.

Finally, the term of this Committee continues for the remainder of the 2014 calendar year, which, if required by City Council, may allow the Committee to address the final two points of the Terms of Reference. These two points are:

- Make recommendation to Council on alternative revenue opportunities that contribute to the development cost
- Explore existing operational agreements and/or partnerships

Further direction by Council on these points is requested.

STATISTICALLY ACCURATE SURVEY

PREPARED BY BANNISTER RESEARCH & CONSULTING LTD.

SURVEY RESULTS:

Banister Survey Ranking of Top 15 Amenities Identified by Public Survey

The City completed one phase of consultation about amenities with residents. Based on that consultation, residents that participated identified 15 priority amenities. Using a phone survey, a statistically accurate sample size of residents were asked to prioritize those 15 amenities using a scale of low importance to high importance.

AMENITY	HIGH IMPORTANCE		MODERATE IMPORTANCE		LOW IMPORTANCE		NO ANSWER

PRIORITIZATION WORKSHEET

COMPARING AMENITY CRITERIA AND COMMUNITY VOICE

The following chart takes into consideration all of the public and council input to find aligning priorities. It must be noted that the amenities required for the Canada Winter Games are committed projects in the 10 Year Capital Plan as Red Deer was successful in the bid for the 2019 games. However, for the purpose of this exercise these amenities were ranked along with all others and shown no priority. The amenities required for the Canada Winter Games are noted with 🍁 symbol in the left column.

The Community Voice was measured by combining all of the public feedback and awarding one (1) point each time an amenity was mentioned. Community voice was determined to be a priority criteria by residents and Council when making a decision about amenities.

The Council Criteria Rankings were chosen by the public as the top three out of seven potential lenses through which the amenities could be ranked. Council then applied these lenses when examining each amenity, giving one (1) point for fully supporting the criteria, two (2) for partial support or insufficient information, and three (3) points for not meeting the criteria. The three decision making criteria that both residents and council determined to be priorities when making decisions about amenities are Social Investment, Economic Opportunity and Amenity Utilization.

Development Time Preferences were awarded one point per vote for each councillor.

PRIORITY ALIGNMENT

- Amenity supports the majority of the criteria
- Hesitant that the amenity supports the criteria or need for more information to make a decision
- Does not meet the criteria

AMENITY	COM- MUNITY VOICE	TOTAL CRITERIA POINTS	COUNCIL CRITERIA RANKING			DEVELOPMENT TIMING PREFERENCES				DESCRIPTION
			Social Investment	Economic Opportunity	Amenity Utilization	0-10 Years	10-20 Years	20-30 Years	No Preference	
Indoor Soccer Centre (Contribution To RDC)		28	10	9	9	2	3	0	1	Contribution towards an indoor soccer facility (full size indoor soccer pitch)
Riverlands River Walk – Phase I		31	9	13	9	2	3	0	1	Development of multiuse trails, landscaping, rehabilitation and site grading after burying of overhead transmission lines in the Riverlands area downtown
Bower Ponds Pavilion Expansion		31	9	13	9	3	2	1	0	Expansion and restoration of the pavilion at Bower Ponds.
Riverland River Walk Phase 2 & Civic Plaza		31	9	13	9	1	4	0	1	Completion of River Walk (trail) connection to central plaza area for cultural and festival events in the Riverlands area downtown.
Another Recreation Facility (like the Collicutt)		31	9	13	9	1	3	0	2	
G.H. Dawe 2nd Ice Surface		31	10	11	10	3	2	1	0	Future expansion of the current facility contemplating the addition of second ice surface.

	Sport Fields For Multiple Uses		31	8	13	10	2	3	0	1	Football, Rugby, Baseball, Slowpitch, and others
	Roland Michener Aquatic Centre Building Renovations		31	9	11	11	4	1	0	1	
	Collicutt Centre 2nd Ice Surface		31	9	11	11	1	3	1	1	Consider the addition of a second ice surface
	Trail Expansion		32	8	16	8	6	0	0	0	
	Performing Arts / Concert Hall		32	12	10	10	2	2	1	1	Design & construction of a concert hall for major events with a capacity of 1500 patrons.
	Heritage Ranch Park Enhancement		32	10	12	10	3	1	0	2	Increased parking, lighting, gateways, outdoor furnishings, trails, storage building, residence repairs
	Discovery Canyon Upgrades		32	8	13	11	4	0	1	0	Upgrades and repair of Discovery Canyon water feature.
	More Trails		33	9	15	9	2	3	0	1	Additional trails throughout the city, linking our neighborhoods, expanding the current network
	North Red Deer Regional Community Centre		33	8	16	9	3	3	0	0	
	Red Deer Arena and Kinex Arena Upgrades		33	11	11	11	4	2	0	0	Don't decommission the Kinex and the Red Deer Arena, put money into renovating it
	New Larger Outdoor Festival/Concert Site		34	10	13	11	4	0	2	0	Another Bower Ponds or something like Hawrelak park in Edmonton
	Spray Parks		34	9	14	11	2	2	1	1	
	Multi Use Aquatic Centre 50M Pool		34	11	11	12	5	1	0	0	Construction of a multiuse aquatic centre (indoor/outdoor pools/amenities).
	Heritage Ranch Visitor Centre Renovations		34	11	11	12	4	1	1	0	Visitor centre renovations including the expansion of the meeting room/banquet area
	Campground		34	10	11	13	2	2	1	1	Construction of a new campground area.
	Preserving Land and Environmental Areas		35	9	17	9	4	1	0	0	To preserve our environmentally sensitive areas and forests.
	Tournament Sport Fields		35	12	11	12	3	2	0	1	A major sport field competition site with complimentary amenities (ie. campground, changerooms, picnic area).

N.E. High School Site Sport Field Development		35	9	14	12	6	0	0	0	Development of sport fields, competition track and field area and complimentary amenities.
Indoor Playground		35	8	15	12	0	1	0	5	Construction of an indoor playground. Expansion at existing facilities or incorporated into future development
Collicutt Centre Dry Space Expansion		36	10	15	11	2	3	1	0	Additional dry land space (includes gymnasiums and field house)
Memorial Center Building Enhancements		36	12	12	12	4	1	1	0	
N.E. High School Increased Gymnasium Facilities		36	10	14	12	5	1	0	0	Public access to new High School gym facilities through a City contribution to an enhanced/enlarge gymnasium
 Biathlon and X-Country Skiing Venue Improvements		36	11	11	14	3	1	1	1	Cross Country Ski Trail improvements and expansions along with biathlon range enhancements to provide a course that can host national competitions
Waskasoo Park Expansion		37	10	18	9	3	3	0	0	To expand the Waskasoo Park Expansion
G.H. Dawe Expanded Fitness Area		37	10	16	11	3	2	1	0	Expand the fitness area and gym space
Space And Science Centre		37	14	11	12	2	0	1	3	
Westerner Expansion		37	13	11	13	1	4	0	1	City contribution to expanded area.
Outdoor Pool Replacement		37	12	12	13	5	1	0	0	If a new outdoor pool is not constructed as part of the multi-use aquatic centre, build a new outdoor pool
Ice Surfaces / Arena		37	11	13	13	4	0	1	1	
 Olympic Sized Ice / Short Track Speed Skating Ice Surface		37	12	10	15	3	2	0	1	Contribution towards the construction of an Olympic sized ice venue for short track speed skating
Riverlands Artisan Space/Year Round Market Development		38	12	13	13	4	0	2	0	Indoor public market including artisan space, open all year round.
New Twin Arena In Rotary Recreation Park		39	13	13	13	0	5	1	0	Decommission the Red Deer Arena and Kinex Arena, and build a new twin arena with seating for ~3,000 people
Lions Campground Site Redevelopment		40	13	11	16	1	3	0	2	Site redevelopment plan including enhanced servicing
Dog Off Leash Parks		41	12	18	11	1	2	2	1	Additional off leash areas throughout The City.

	Cultural Centre		41	14	15	12	3	2	1	0	A new centre for City and community service delivery. Include arts studios, programming space, and gallery.
	Field House / Gymnasium		41	13	15	13	2	2	1	1	
	Track & Field Athletic Park		41	12	16	13	1	2	1	2	
	Permanent Indoor Tennis		41	12	15	14	1	2	1	2	Construction of a permanent indoor tennis facility
	Library		42	12	18	12	2	2	1	1	
	Botanical Gardens		42	12	17	13	1	0	2	3	
	Natural Playground		42	10	19	13	2	2	0	2	
	Museum Expansion		42	14	14	14	1	3	1	1	Expansion of the museum and art gallery
	Indoor Tennis		42	14	14	14	0	2	2	2	
	Accessibility Enhancements		42	13	15	14	6	0	0	0	Facility improvements for barrier free access.
	Arts Programming Space		43	15	15	13	2	1	1	2	
	Riverlands Bridge		43	13	17	13	1	1	3	1	Pedestrian bridge construction connecting Bower Ponds to the Riverlands area downtown
	River Bend Recreation Area Improvements (Boat Launch, Picnic Area, Skating Rink and Gazebo)		43	13	15	15	2	2	0	1	Includes playground enhancements, picnic and group use areas, parking lot enhancements, trail improvements.
	International Cultural Space		43	12	16	15	2	1	2	1	A place for various cultures to showcase their traditions, ethnic arts, etc.
	Skate Park		44	13	18	13	2	3	1	0	Construction of a new skate park. Location to be determined.
	Indoor Running Track		44	13	18	13	0	1	2	3	
	Community Gardens		44	12	18	14	3	1	0	2	Additional community gardens for use by residents

	Expanded Cycling Infrastructure		44	12	18	14	3	1	2	0	
	Relocate Edgar Sports Fields		44	14	15	15	1	2	0	2	
	Soccer Pitches		44	11	16	17	3	2	0	1	
	Regional Community Centre		45	13	19	13	1	2	1	2	A new building for community gatherings, meetings, programming space and multi-purpose space
	Group Picnic Area		45	13	18	14	2	1	1	2	A picnic area with shelter, fenced, bookable space for family gatherings
	Long Track Speed Skating Oval		45	16	11	18	3	2	0	1	Development of a long track outdoor speed skating oval and required amenities.
	BMX Park Expansion		46	16	14	16	1	0	2	3	BMX park expansion to accommodate growing needs.
	Neighbourhood Halls		47	15	18	14	1	3	0	2	Similar to current community centers / skate shacks
	Man-Made Beach		47	14	18	15	0	0	1	4	Similar to Discovery Canyon
	Playgrounds		47	12	20	15	3	3	0	0	
	Edgar Sport Field Utilities to Facilitate Future Site Enhancements		47	13	18	16	5	0	0	1	Site Servicing
	Museum		48	15	18	15	1	3	0	2	Construction of a larger museum and art space
	Park Development Along Northlands Drive		48	13	19	16	1	2	2	1	
	Paved Rink Pads		48	13	19	16	1	2	0	3	Ashphalt pads under our community rinks that allowing for alternate summer activities (ball hockey, etc)
	Squash Courts		48	16	15	17	3	2	0	1	Contribution towards the construction of 4 international sized squash courts.
	Whitewater Park		48	13	17	18	0	0	2	4	Whitewater park built on Red Deer River
	Rotary Recreation Park Enhancements		49	16	19	14	2	3	0	1	Build the promenade from the Golden Circle to the south parking lot, add benches, lighting, landscaping and trails

	Bandstand		49	14	18	17	1	1	2	2	An outdoor space designed to accommodate musical bands performances
	Community Gathering Space / Meeting Rooms		50	17	20	13	2	1	2	1	Build facilities/places for the public to gather and meet (i.e. community centres)
	Great Chief Park Artificial Turf		50	16	18	16	3	1	0	2	
	Imax		50	18	15	17	0	1	0	5	
	Batting Cages For Baseball		50	16	17	17	0	2	0	4	
	Badminton Courts		50	15	18	17	2	1	0	3	
	Pickle Ball		50	13	18	19	1	0	1	4	
	Heritage Square Upgrades		51	18	18	15	1	2	2	1	Restoration of structures within Heritage Square.
	Art Walls		51	15	19	17	1	0	1	4	
	Zoo		52	18	18	16	0	0	2	3	
	Roller Rink		52	16	18	18	0	1	1	4	
	Snowboard Terrain Enhancements		52	18	14	20	4	1	0	1	Hill modifications required to meet the technical requirements for hosting national competitions.
	Freestyle Ski Terrain Enhancements		52	17	13	22	2	2	0	2	Hill modifications required to meet the technical requirements for hosting national competitions.
	Boy Scout Site Restoration		54	14	21	19	1	2	0	3	
	Go Cart Facility		54	15	18	21	0	0	2	4	
	River Bend Golf Clubhouse Improvements		55	18	19	18	1	3	0	1	Lockers and Showers
	More Outdoor Gyms		56	16	21	19	1	2	1	2	

Dance Studio Area		56	18	18	20	1	1	1	3	
Handball Courts		57	17	21	19	0	1	2	3	
Lawn Bowling		59	17	22	20	1	1	0	4	
Laser Tag		60	19	20	21	0	0	2	4	
Horseshoe Pits		60	18	21	21	0	1	1	4	
Designated Snowshoe Areas		62	18	23	21	0	0	2	4	
Cricket Pitch		62	18	23	21	0	1	2	3	
Indoor Driving Range/Golf Simulator		63	22	21	20	0	0	2	4	
Additional Archives Space		63	21	21	21	1	1	2	2	Relocate the City of Red Deer Archives and build a space for the public to utilize the resources available
Velodrome		72	24	24	24	0	0	2	4	An indoor arena for track cycling

PRIORITIZATION WORKSHEET

COMPARING AMENITY CRITERIA AND COMMUNITY VOICE

Finding Common Ground

When comparing the top one-third of the Community Amenity priorities as outlined by Council criteria and those expressed by the public several commonalities arise. Projects highlighted in green represent those that ranked in the top third for both council and public, although not necessarily in the same order.

	PUBLIC	COUNCIL
1	More Trails	Indoor Soccer Centre (Contribution to RDC)
2	Trail Linkage Mckenzie Trail To Riverbend	Riverlands River Walk – Phase I
3	Multi Use Aquatic Centre / 50M Pool	Bower Ponds Pavilion Expansion
4	Artisan Space/Year Round Market Development	Riverland River Walk – Phase 2 & Civic Plaza
5	Bower Ponds Pavilion Expansion	Another Recreation Facility like the Collicutt
6	Roland Michener Aquatic Centre Building Renovations	G.H. Dawe 2nd Ice Surface
7	Discovery Canyon Upgrades	Sport Fields For Multiple Uses
8	Memorial Center Building Enhancements	Roland Michener Aquatic Centre Building Renovations
9	Performing Arts / Concert Hall	Collicutt Centre 2nd Ice Surface
10	River Walk – Phase I	River Bend Golf & Recreation Area Trail Expansion
11	Dog Off Leash Parks	Performing Arts / Concert Hall
12	Olympic Sized Ice / Short Track Speed Skating Ice Surface	Heritage Ranch Park Enhancement
13	Collicutt Centre Dry Space Expansion	Discovery Canyon Upgrades
14	Preserving Land and Environmental Areas	More Trails
15	River Bend Golf & Recreation Area Trail Expansion	North Red Deer Regional Community Centre
16	Man-Made Beach	Red Deer Arena And Kinex Arena Upgrades
17	Community Gardens	New Larger Outdoor Festival/Concert Site
18	Indoor Playground	Spray Parks

	PUBLIC	COUNCIL
19	Heritage Ranch Park Enhancement	Multi Use Aquatic Centre / 50M Pool
20	Trans Canada Trail Development Sylvan Lake	Heritage Ranch Visitor Centre Renovations
21	New Larger Outdoor Festival/Concert Site	Campground
22	Another Recreation Facility like the Collicutt	Preserving Land And Environmental Areas
23	River Walk – Phase 2 & Civic Plaza	Tournament Sport Fields
24	Space And Science Centre	N.E. High School Site Sport Field Development
25	Collicutt Centre 2Nd Ice Surface	Indoor Playground
26	Tournament Sport Fields	Collicutt Centre Dry Space Expansion
27	Whitewater Park	Memorial Center Building Enhancements
28	Riverlands Bridge	N.E. High School Increased Gymnasium Facilities
29	Sport Fields for Multiple Uses	Biathlon And X-Country Skiing Venue Improvements
30	G.H. Dawe Expanded Fitness Area	Waskasoo Park Expansion
31	Go Cart Facility	G.H. Dawe Expanded Fitness Area
32	Community Gathering Space	Space And Science Centre
33	G.H. Dawe 2Nd Ice Surface	Westerner Park Expansion
34	Rotary Recreation Area Outdoor Pool Replacement	Olympic Sized Ice / Short Track Speed Skating Ice Surface
35	Indoor Soccer Centre (Contribution to RDC)	Rotary Recreation Area Outdoor Pool Replacement
36	Spray Parks	Ice Surfaces / Arena
