Where the ballot includes a bylaw or question, the elector will mark his or her vote within the portion of the ballot containing the affirmative or negative, or containing the for or against, whichever way he or she decides to vote by completing the oval next to his or her choice.

(2) If the voter requests another ballot card, the deputy from whom he or she received the ballot must issue a new ballot card to the voter and mark the returned ballot card ‘SPOILED.’

If the voter refuses to request another ballot card, the deputy at the ballot box and/or vote tabulator must mark the ballot card with the word ‘REJECTED’, or must allow the ballot to be placed in the tabulator upon which time the elector

38  Notwithstanding sections 32 to 35, the Returning Officer may establish such other procedures as required to facilitate an electronic vote.

39  The voting procedure prescribed in this bylaw will, during an Advance Vote and an Institutional Vote, as far as is feasible, apply and may be modified as may be necessary upon the direction of the Returning Officer.

40  Each elector must follow the voting procedures as set out in this bylaw and as posted in the voting station, and upon the deposit of his or her ballot card into the ballot box, and/or vote tabulator, the elector shall leave the voting station.
