

Hello Neighbour,

My name is **Nora Smith**; I live down the block at **123 Street**.

As part of the Great Neighbours initiative, I am volunteering to be a “Block Connector” for our block. I am very glad to connect and help make our neighbourhood a better place to live. My role is to:

- Have a friendly chat with the closest 10-20 households on our block.
- Help neighbours connect with an activity at least once per year.

I will be the point person for the block so that we can be in touch about block related matters (e.g. garage doors left open and neighbourhood watch) and so that we can share info (e.g. events and news) back and forth with the neighbourhood organizations and one another.

I am planning a kick-off event of **hot chocolate & Christmas caroling** in **December** to connect neighbours with each other. Everyone is invited! Also, if you would like to contribute in some way, that would be wonderful. All ideas are welcome.

I am looking forward to chatting again. You are welcome to stay in touch with me at **[creativexchangeconsulting@gmail.com](mailto:creativexchangeconsulting@gmail.com)** or by phone at **123-456-7890**.

Kind regards,

Your Neighbour
