Signature of Applicant

Notwithstanding the issuance of this permit, the City does not assume responsibility that the plans and specifications as filed comply with the Safety Codes Act and Regulations, and the granting of this permit shall in no way relieve the owner of the building or the constructor thereof from complying with the requirements of the Safety Codes Act and Regulations, and any relevant City Bylaws or Provincial or Federal Statutes or Regulations in force.

The personal information provided as part of this application is collected under the authority of the Safety Codes Act. The information will be used for issuing permits, safety codes compliance verification and monitoring and property assessment purposes. This application constitutes part of the permit. The name of the permit holder and the nature of the permit are available to the public upon request. If you have any questions about the collection or use of the personal information provided, please contact the Inspections and Licensing Department Manager.
