(x) <sup>1</sup>DELETED

(xi) The following uses are permitted on the lands indicated, provided that they are in existence as of July 15, 2003 and provided that they continue to meet the conditions listed below:

- (1) Lot 1, Block N, Plan 1861KS as a trophy, award, and plaque production, production of promotional products, and associated retail sales.
- (2) Lot 22 & 29, Block 17, Plan 7604S, as storage and warehouse.
- (3) Lots 18-21, Block 17, Plan 7604S as automotive repair and parts sales.
- (4) Lot 24, Block 17, Plan 7922177 as production of bottled water, water distribution and related sales.
- (5) Block H, Plan 5296HW as tire and scrap metal storage and tire repair shop and automotive parts sales.
- (6) Lot 25, Block 17, Plan 7922177 as indoor air cleaning business.
- (7) Block N, Plan 3051HW as paint supply, mixing of paint, sale and distribution of automotive related finishes and parts, are deemed henceforth to be permitted uses on that site in a building in existence as of July 15, 2003, provided that the use meets all of the following conditions:
  - (a) The use does not extend further throughout the existing building to include a larger area of floor space of the building than it did as of July 15, 2003.
  - (b) The use is continuous. An existing use may continue in operation provided that it is not discontinued for a period of six consecutive months or more. For this purpose, a discontinuance means a discontinuance in fact, whether intended by the land owner or occupant or not. Notwithstanding the foregoing, the Development Authority may issue one or more six month extensions to the period of discontinuance, but no cumulative extensions totally over eighteen months will be granted.
  - (c) <sup>2</sup>The operation of which meets the performance standards set out in sections 6.6 subsection (2) and 6.6 subsection (3)(a) and (b), of this bylaw, and which does not create nor emit noises, odours, dusts, fumes, or otherwise create a nuisance.
  - (d) Use on part of a lot may not be extended or transferred in whole or in part to any other part of the lot and no additional buildings may be constructed on the lot.

(xii) Notwithstanding the above conditions, where a legally approved industrial building within this District in existence at the time of the passing of this Bylaw, is partially or fully destroyed by fire or other accidental means, it may be replaced for the same use and building size as that which was destroyed.

### **1. Site Development**

- (a) <sup>2</sup>For Development within the I1 A/BSR, I1B/AD, IC, I1 and I2 Districts all Site Plans, the relationship between Buildings, Structures and open space, the architectural treatment of Buildings, the provision and architecture of landscaped open space, and the parking layout, shall be subject to the approval by the Development Authority.
- (b) It is intended that consultation with the Riverside Meadows Community Association will occur with regard to all new development or redevelopment proposals.

### **2. Industrial Standards Definitions**

#### **(a) Industrial Standard I**

- (i) Industrial Standard I means any industrial operation including production, processing, cleaning, testing, repairing, storage or distribution of any material which shall conform to the following standards:
- (1) emit no noise of industrial production audible at any point on the boundary of the lot on which the operation takes place,
  - (2) no process involving the emission of smoke is permitted, except the use of waste disposal incinerators of a design approved by the Development Authority,
  - (3) no process involving the emission of dust, flying ash or other particulate material is permitted,
  - (4) emission of any odour or gas is prohibited,
  - (5) the emission of toxic gases or other toxic substances is prohibited,
  - (6) no industrial operation shall be carried out that would produce glare of heat discernible beyond the property line of the lot concerned,

<sup>1</sup> 3357/N-2019, 3357/M-2019

<sup>2</sup> 3357/N-2019, 3357/M-2019

- (7) <sup>1</sup>outdoor storage of goods or material is permitted if kept in a neat and orderly manner subject to regulations listed in section 6.6 subsection (6),
- (8) no waste which does not conform to the standards established by The City Utility Bylaw shall be discharged into any sewer.

**(b) Industrial Standard II**

- (i) “Industrial Standard II” means an industrial operation, including production, processing, cleaning, testing, repairing, storage or distribution of any material, which does not create a nuisance discernible beyond the property line of the lot concerned, but might produce noxious emissions.

**3. General Industrial Performance Standards**

- (a) The onus of proving to the Development Authority's satisfaction that a proposed development does and will comply with the requirements of the respective industrial district rests with the applicant.
- (b) <sup>2</sup>In addition to meeting the requirements of section 6.6 subsection (2), development of an industrial site shall comply with the following:
  - (i) the minimum front yard of a site in any industrial district may be used only for:
    - (1) landscaped areas and pedestrian walkways which, together, unless otherwise provided in the Regulations, shall comprise not less than 40% of the area of the minimum front yard,
    - (2) driveways having access to a street or streets at locations to be approved by the Commission,
    - (3) subject to the approval of the Commission loading and parking areas having a combined area not exceeding 60% of the area of the said minimum front yard, provided that vehicles can enter and leave the site without reversing or manoeuvring on the right of way of a registered street,
    - (4) display purposes provided that no display is located within the minimum required landscaped area of the front yard and subject to the approval of the Development Authority.

<sup>2</sup> 3357/N-2019, 3357/M-2019

(ii) if the front yard of a site in any industrial district exceeds the minimum front yard, any portions of an industrial site not covered by buildings and not used for open storage shall be either:

(1) paved or gravelled and maintained in a neat dust free condition to the satisfaction of the Development Authority, or

(2) landscaped suitably and maintained free of weeds to the satisfaction of the Development Authority, or

(3) a combination of (1) and (2) hereof.

(c) If the street or boulevard abutting a site in an I1 or I2 District is not paved or not landscaped, the Development Authority may permit an extension of not more than 12 months following notification by The City of completion of such paving or landscaping within which the owner shall comply with this Bylaw, provided that the registered owner of the site enter into an agreement in writing satisfactory to The City to complete such works. The City may register a caveat on the title to the site to protect the agreement.

#### **4. Projection Over Yards**

(a) Except as provided in this part, no person shall allow any portion of the principal building on a site to project into a minimum yard setback.

(i) On sites in industrial districts, a canopy if:

(1) the canopy is at least 3.6 m above the surface of the yard, and

(2) no supports or posts are constructed under the portion of the canopy projecting over the minimum rear yard.

#### **5. Vehicular Access to Lots from Public Roadways**

(a) The location and number of proposed entrances to, and exits from, a development must conform to the provisions of the applicable Engineering Standards in force from time to time as determined by Engineering Services.

## 6. <sup>1</sup>Outdoor Storage in Industrial Districts

- (a) Where the outdoor storage of raw materials, finished or partially finished products, fuel, salvage material, junk or waste is permitted or approved on a site, such storage shall be concealed from sight from adjacent sites, streets or lanes by a fence or wall of appropriate design, and sufficient dimension and position so that such materials are not visible from any point 2.0 m or less above grade on any adjacent site, street or lane.
- (b) Outdoor storage areas shall be fenced or screened as determined by the Development Authority.
- (c) Outdoor storage shall not be located within the front yard setback of any site.
- (d) Lumber yards approved as an accessory use in Industrial districts shall comply with the outdoor display or sale of goods regulations listed in section 5.7 (10).
