Petroleum Storage Tank Removal

Information for Permit Service Closure Report

Red Deer, Alberta, T4N 3T4 O: 403.346.5511 F: 403.343.1866 E: prevention@reddeer.ca

Underground storage tank systems must be removed from the ground and disposed of in accordance with Section 4.3.16 of the National Fire Code – 2019 Alberta Edition.

Upon completion of the tank(s) removal, complete this form and forward to Red Deer Emergency Services (RDES) at "prevention@reddeer.ca.

If contamination is encountered during removal of tank(s), notification must be made to RDES in accordance with Article 4.1.6.4 of the National Fire Code – 2019 Alberta Edition and Alberta Environment at 1-800-222-6514 in accordance with Section 110 of the Environmental Protection & Enhancement Act.

Individuals supervising the removal of underground storage systems must be approved in accordance with the National Fire Code – 2019 Alberta Edition. The PTMAA website includes a list of companies that employ certified removers.
