

VIEWPOINT GALLERY

The Viewpoint Gallery invites exhibition proposals for its 2024/25 exhibition program. Individual artists, curators or groups representing diverse artistic practices and experience levels may submit proposals for art exhibitions and projects.

Submission deadline: Wednesday, May 1, 2024, 4:00 p.m.

This call is open to artists and curators working in any visual art media, including but not limited to: sculpture, painting, printmaking, lettering arts, ceramics, fibre arts, glass, fine craft, jewellery, digital art, mixed media, photography, film, video and performance art. Applicants must be Canadian residents.

Proposals will be considered based on consistency and quality of work or themes submitted, demonstrated commitment to serious practice, and how the exhibition meets the artists' objectives in the development of their own artistic practice. A diversity of artists' voices will also be a consideration in selection.

About the gallery:

The Viewpoint Gallery is an informal exhibition space located in the lobby of the City of Red Deer Culture Services facility in downtown Red Deer. The City facilitates the gallery with an aim to showcase a variety of visual art forms, offer exhibition opportunities to artists and curators, and offer visitors to the gallery opportunities to engage with artists and their work. The gallery offers an honorarium to exhibitors based on CARFAC rates recommended for the type of display space (i.e. Exhibitions in Other Public Spaces).
