

Purpose:

The purpose of this policy is to provide direction for the lease of City owned land.

Policy Statement(s):

1. City owned farm lands shall be tendered and leases entered into shall be for three (3) year periods.
2. Included in the tender documents and leases shall be the right by the City to cancel all or part of any lease with 30 days' notice, with the tenant being compensated for crop damage should the City require the land during the growing season.

Authority/Responsibility to Implement:

City Manager
