

Purpose:

To establish the practice for establishing and locating property pins and lines.

Policy Statement(s):

1. Requests for location or establishment of property pins, property corners and property lines will be referred to private survey firms.
2. The City will not take any responsibility for the work or costs of the work unless it can be clearly shown that the property pins were destroyed or damaged by City forces or City contractor.
3. City lots and lands are sold on an "as is" basis whereby property pins and corners have been established prior to the sale.

Authority/Responsibility to Implement:

City Manager
