# Section I - User Fees Values, Principles, and Markets Served

---

## I.0 Operations Principles

### Goal

*“To ensure opportunities are available for all citizens to participate in and enjoy community and leisure activities in Red Deer”.*

### Introduction

In order to guide the operation of the departments, Council annually approves the Service Plans, which outlines more specific goals and objectives. These documents are used as the foundation for determining fees for facilities, services, and programs to be offered.

For the purpose of this Operations User Fees Guide the following departments and sections are included:

- Safe and Healthy Communities Department
  - Recreation
  - Community Development (Culture Services)
- Parks and Public Works Department
  - Parks

Through public funding/support, opportunities are made available to our citizens to help provide quality of life opportunities (health and well-being) within the community.

The following elements are key balances in establishing our user fees:

### I.1 Facilitation of Community Needs

The division acts as a facilitator, working with the community to determine the needs and options for the provision of services to citizens through either indirect or direct service provision.

### I.2 Community Health and Wellness

Municipal leisure facilities, services and programs provide positive leisure time opportunities, contributing to the overall health and wellness of individuals, families and the community. A primary mandate of Operations and the Safe & Healthy Communities Department is to design, introduce and support activities aimed at increasing the health and well-being of our residents. Opportunities to inform, promote and introduce citizens to activities that encourage healthy, active lifestyles are undertaken.

### I.3 Accessibility and Affordability

The City of Red Deer Operations offers opportunities that address various challenges and barriers so that citizens can access programs and services that effectively meet their needs.

#### **1.4 Safety**

The City takes pride in providing safe facilities and equipment as well as well-trained staff to provide safe programs and activities for all participants.

#### **1.5 Balance**

In the provision of facilities, services and programs, Operations considers and balances the key elements outlined above. This includes balancing the diverse needs of residents by offering a variety of opportunities that are accessible and affordable, with the financial viability and sustainability of the infrastructure and staffing requirements.

#### **1.6 Sustainability**

Public facilities, both indoor and outdoor, are managed responsibly so that the return on investment through collection of fees and charges for recreational usage is fair, with a reasonable level of subsidization by public funding. Through the budget planning process, targets are set to identify what is deemed reasonable for each type of facility, program or service provided.

## 2.0 Rate Development – Guiding Principles, Pricing Framework

*Vision 2020, the Community Services Action Plan, Annual Service Plans and Municipal Policies* guide the establishment of fees and charges for recreation, parks and culture services.

- The Manager, Safe and Healthy Communities, or designate, has the authority to consider special circumstances for a variance of any of these policies regarding rental of the department facilities.
- Interpretation of charges is the responsibility of the Manager, Safe and Healthy Communities or designate. Such interpretations may be appealed to the Operations General Manager.
- The Manager, Safe and Healthy Communities, or designate, has the authority to approve joint sponsorship or negotiate special rental terms and conditions.

### 2.1 Guiding Principles

Key considerations guiding the development of the admission fees and rental rates and charges are:

- Effectively balance fees applicable to community needs, benefits and amenities with responsible taxation and financial management.
- Address overall affordability and access and ensure that there are low cost or free opportunities available so that all citizens have the opportunity to access facilities and activities.
- Use amenity based pricing<sup>1</sup>, the common practice of other similar municipalities in Alberta with comparable facilities and services. The Collicutt Centre fee structure and building design was developed using this model and was approved by Council July 14, 2003.
- Base admissions and rentals on our history – using a combination of user-pay and municipal support.
- Equipment and other charges, including those services that are performed by outside suppliers or contractors should be charged at full cost recovery.
- Ensure that wherever appropriate, fees for similar services or amenities at different facilities are similarly priced to ensure consistency, fairness and equitability.
- Maintain an admissions and rental fee approach that is simple for the user and staff to implement
- Provide many options to the community with respect to amenities, activities and pricing.

For the purpose of interpreting the fee schedules the following definitions are provided.

---

<sup>1</sup> Amenity based pricing is determined by amenities contained within each facility rather than setting a uniform price for all facilities.

## 2.2 General Principles

- **Adult Base Rate** - The Adult 'Base Rate' will be established taking into consideration the aforementioned guiding principles.
- **Goods & Services Tax** – 'Fees and Charges' will state both rental rates separately. All fees shown in this guide include GST with the exception of cemetery fees.
- **Equipment Rentals** - Will be included in the listing of department fees and charges.
- **Additional Staffing Costs** – Additional staffing costs, related directly to the rental or type of service, will be identified in the listing of all department fees and charges.
- **User Fees** - Will be identified and classified by facility type and, where there is more than one facility offering similar services, they will be grouped together within the same section of the user fees guide.

## 2.3 Calculation of Operational Costs

- **Capital and Depreciation** - Capital costs and/or depreciation are not included in the calculation of operating costs.

## 2.4 Exceptions or Negations of Fees and Charges

- **Special Rental Terms and Conditions** -The Manager, Safe and Healthy Communities, or designate, has the authority to approve joint sponsorship or negotiate special rental terms and conditions.
- **Waiver for Support Persons' Admissions and Fees** - In recognition that there is the potential requirement for assistance for persons with special needs, a policy (3.1.19) allowing for this waiver of admission costs and fees for support persons (aides) has been put in place. Any material costs are required to be paid.
- **Michener Centre Clients** - Are considered local youth for purposes of establishing rental rates but are not included in the School/City reciprocal use agreement. The City agrees to schedule the use of the therapeutic pool at no cost to PDD or the Landlord.
- **Red Deer Polytechnic** – Red Deer Polytechnic programs using City facilities for instructional purposes are considered local youth for the purpose of establishing fees and charges. College teams using City facilities for games, practices, or tournaments will be assessed at adult rates.
- **Red Deer Vipers** – Practice ice booked during regular ice season will be charged according to current agreement with The City.
- **Courtesy Pass** – Complimentary or zero cost drop in pass, valid for any age category.

- **No Charge Facilities & Facility-Related Services** - The following facilities or facility-related services will be made available at no charge, as long as there is no exclusive use required.
  - Parks and Park Amenities
  - Outdoor Skating Rinks
  - Off Leash Dog Parks
  - Skateboard Parks
  - Disc Golf Courses
  - Playgrounds
  - Discovery Canyon
  - Community/Neighbourhood Tennis & Basketball Courts
  - Community/Neighbourhood Sport Fields/Ball Diamonds “C” Size Fields Only
  - Walking and Biking Trails
  - Admissions under 3 years of age
  - Horseshoe Pitches
  - Mountain Bike Park
  - Outdoor Fitness Parks
  - Spray Parks and Wading Pools
  - Servus Arena Walking Track

## 2.5 Reciprocal Use Agreements

The City of Red Deer and local school boards meet regularly as the Joint Use Committee to discuss the shared use of community facilities. The Reciprocal Use Agreement provides agreed upon user guidelines established by the Joint Use Committee. Schedule I of the Reciprocal Use Agreement provides specific details for implementing shared use of both schools and recreation facilities.

## 2.6 General/Overall Fees and Charges

All Fees and Charges will be applied consistently throughout the department, regardless of type and location of a facility or facility-related service.

- **Statutory Holiday Staff Rate** – A staffing premium will be charged for bookings on statutory holidays as indicated in the extra fees section of this document.
- **Additional Staff Time Requirements** – Any additional staff time required, such as set up or take down, will be charged out at the rate indicated in the extra fees section of this document, unless otherwise stated.
- **Lost or Stolen Cards & Key Tags** – Lost or stolen cards will result in a replacement charge.
- **Entandem Licensing Fees** – May be charged as a result of the use of music at events in City facilities.
- **Fees for Retail Merchandise** – Will be equivalent to a minimum (or greater within acceptable margins) of 15% markup on the total purchase cost, including freight and stocking fees.
- **Fees for Showers** – Will be equivalent to the Recreation/Michener Centre adult base rate and charged as a POS extra fee. There will be a daily POS rate.

- **Deposits** – A deposit may be required at the discretion of the Facility Supervisor. Such deposit may be used to pay amounts owing from facility rental usage.

## 2.7 Spectator, Special or Community/Sporting Events

- **Admissions** – For any activity where tickets or admissions are sold, The City will charge 10% of the total gross sales receipts in addition to the specified hourly rental rate on commercial rentals. If the user group does not provide a copy of a Special Event Statement, The City will charge either 150% of their identified rate, or the specified hourly rate in addition to 10% of the total gross rate receipts. No 10% gate rate will be charged for nonprofit organizations.
- **Liquor Sales** – Special permission must be granted by The City of Red Deer to allow a designated area for liquor sales and consumption. A license must be obtained from Alberta Gaming and Liquor Commission. If the permit holder requests the sale of any alcohol, prior approval is required, and The City will charge 10% of the total gross sales receipts. Accurate reporting of sales must be provided to the City of Red Deer along with 10% of total gross sales.
- **Special Event Permit** – May be required

## 2.8 Calculation of User Fees

- **The Base Rate** - Facility rentals and related services will be calculated using the 'Adult' rate as the 'Base Rate'.
- **User Fees Formula** - A formula has been established, to calculate the rental rates and fees, as a percentage (%) of the 'Base Rate' based on the rental category.
- **Unique or Specialized Rates and Fees** - Some fees and charges will be identified as unique and specialized and therefore may be subject to a separate formula.

## 2.9 Pricing Framework

In developing rates and looking at other municipalities, the assumption was made that a facility with at least five basic amenities would set the standard for a base rate. The User Fees Pricing Framework below outlines the amenity based pricing model. Each amenity within a facility is considered either a basic amenity or a value added amenity.

Currently, each facility has at least five basic amenities. Those facilities where only the basic amenities are available are considered our base facilities (Michener Aquatic Centre, Don Moore Recreation Centre, Servus Arena, and Kinsmen Arenas). Facilities where value added amenities exist are priced according to the number of value added amenities in the facility. To determine the adult admission rate in 2009, ninety-five cents was attached to each of the first five basic amenities. An additional thirty cents was added to the base price for each value added amenity (G.H. Dawe Community Centre and Collicutt Centre). By using this approach, the principles of affordability, user

pay/municipal support and responsible taxation & financial management are addressed.

**Amenity based pricing framework for admissions and cards**

The following figure lists the amenities included in each facility. Value Added amenities are denoted by a VA symbol. The number of value-added amenities are calculated for each facility and totaled at the bottom of each column

## 3.0 Markets Served

Underlying principles/rationale:

- It is individual customers that drive or make up our markets. We achieve our purpose by understanding our markets and providing goods and services that respond to these markets.
- Our services must be responsive and adaptive to a continually changing population. By understanding, actively consulting, and responding to the markets we serve, we can continue to provide relevant and needed services.
- The benefits of recreation, parks and culture to both the individual and the community are considered when developing pricing. A balance of these shared values is the focus.
- Those who receive benefits from a particular service should pay for that service according to the level or value of the benefit received.
- When a service benefits society as a whole, all citizens should pay for this societal benefit (general tax support).

We achieve our purpose by providing goods and services to meet three markets.

### 3.1 Core Market

- Core market services are our principal or basic market area.
- These are services that are affordable and appealing to a broad spectrum of our community.
- These services are priced to recover a portion of the costs reflecting the individual benefits received, with a managed subsidy to ensure affordability and encourage participation.

#### **3.1.1 Free - a segment of the Core Market that has no user fee**

- Services are provided with opportunities and experiences available to everyone in the community.
- Services that appeal to the whole community or segments; that preserve and promote physical and mental well-being; that encourage participation, socialization, nature appreciation, and fun for families or other target populations.
- There is no charge to the participant(s) to enter or participate.
- These services provide an opportunity for families, target populations etc.

### 3.2 Service–Plus Market

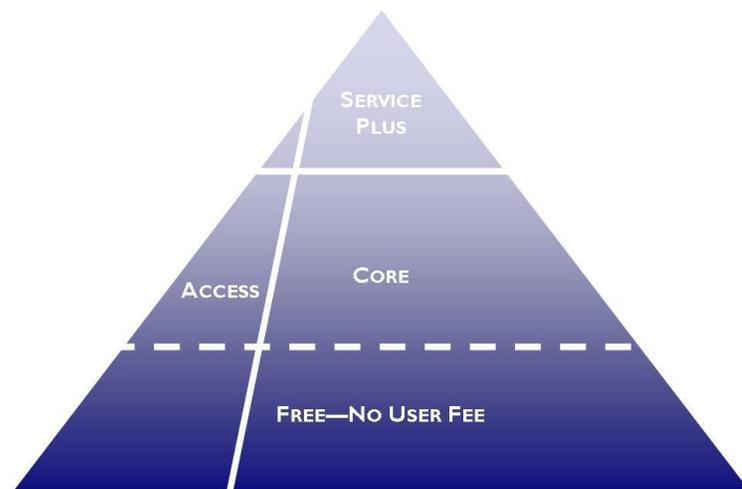

- Services are available to meet the needs that exceed those offered in core.
- Additional and enhanced services to provide variety, choice and convenience.
- Services complement and enhance the core market, target individuals who consider recreation a personal priority, and are willing to make an additional investment in their recreation experience.
- Services are priced at full direct cost recovery (plus) as they provide primarily individual benefits.

### 3.3 Access Market

- Services are provided to enable and encourage participation in recreation, parks and culture by those in our community who may otherwise face barriers to these opportunities and services.
- The dimensions of accessibility include physical, economic, geographic, social, and psychological. This can also include special programs to reach out to identified target groups and hard-to-reach markets.
- Services are priced to recover a lower portion of costs, with a higher managed subsidy reach to ensure affordability and encourage participation.
- The emphasis is on ensuring opportunities are available to all.

The three market areas are depicted graphically below.

Figure I - Red Deer Markets Served

Pricing should reflect differences in the various markets served.

## Section 2 – Admissions and Cards

---

### 4.0 Admissions and Cards Categories, Definitions, and Practices

#### 4.1 Admissions and Card Categories

The following are the percentages used to calculate the single admissions for each rate category.

- **Adult** – The Adult rate is considered ‘Base Rate’ for single admission fees and cards. It is from this Base Rate that the fees for other categories are determined by applying the specific percentage rate of the identified category as outlined below.
- **Senior** – The Senior rate will relate to ADMISSIONS only and will not exceed 90% of the ‘Adult Base Rate’
- **Student** – The Student rate will relate to ADMISSIONS only and will not exceed 80% of the ‘Adult Base Rate’
- **Youth** – The Youth rate related to ADMISSIONS, will not exceed 70% of the ‘Adult Base Rate’
- **Child** – The Child rate will relate to ADMISSIONS only and will not exceed 50% of the ‘Adult Base Rate’
- **Family** – The Family rate will relate to ADMISSIONS only and will not exceed 225% of the ‘Adult Base Rate’
- **Group Discounts** – Customers will be discounted at 20% of their applicable age category for ADMISSIONS of groups of 10 or more. ADMISSIONS for groups of 50 or more will be discounted with all admissions, regardless of customer age, charged at the respective CHILD rate for the facility.

#### 4.2 Admissions and Card Category Definitions

The following are the agreed upon definitions that will be used to apply The City of Red Deer recreation, parks and culture facility admissions fees. Any further clarification or interpretation that is required will be at the discretion of the Safe and Healthy Communities Manager or designate. Such interpretations may be appealed to the Operations General Manager.

For the purpose of interpreting the admissions and card fee schedules, the following definitions are provided.

<b>Admission Category</b>	<b>Age Range</b>	<b>Definition</b>
Adult - Base Rate	18 years to 64 years	A person who is 18 years and older, but under the age of 65 years.
Senior	65 years or older	A person 65 years of age and older
Student	18 years or older	A person who is attending a post-secondary educational institution. Valid ID from the post-secondary institution must be provided.
Youth	13 years to 17 years	A person who is 13 years of age, but less than 18 years
Child	3 years to 12 years	A person who is 3 years of age, but less than 13 years
Infant	Under 3 years	A person who has not had their 3rd birthday
Family		Consists of up to two adults and his/her/their children/youth living in the same residence. Proof of legal guardianship and/or residency may be required.

### **4.3 Admission Increases and Convenience Pricing**

Admissions and related item fees are reviewed regularly with increases considered every two years. New fees for admissions and related items are typically in effect September 1<sup>st</sup>, after Council has approved any change through operating budget. All single admission prices have been rounded to the nearest \$0.10. All numbers were rounded after yearly increases and category formulas had been applied.

### **4.4 Drop-In Programs, Multi Visit Card and Monthly Card**

#### **4.4.1 Drop-In Admissions**

- Children under the age of 8 must be accompanied by a parent or person 16 years of age or older at a 3:1 ratio and be within arms distance at all times.
- All admissions are free for children under 3 years of age.
- Free admission will be provided to support workers for people with disabilities as outlined in the Waiver Policy for Support Person's. When a patron with a disability needs the assistance of a support person in order to take part in one of our programs or activities, we will waive the admission fee for the support person on these conditions.
  - The person with a disability must require the assistance of a support person in order to take part in the activity or program
  - The support person must be directly supporting the client while the client is participating in the program or activity.
  - The support person may be required to pay a materials fee if the program or activity requires them.
  - Support persons who are not actively supporting their client participating in an activity or program will be asked to pay an admission fee.

- Recreation staff may request verification of support status where they feel it is necessary.
- Customers may be asked to show identification by the Customer Service Representative.
- All admission fees are reviewed in conjunction with the preparation of the annual budget to ensure they are appropriate to the service provided and, if practical, comparable to similar facilities in our trading area.
- Restricted free or reduced cost access to recreation activities may continue based on a specialized sponsored program. Any free or reduced cost access requires an application and subsequent approval through the Fee Assistance Program. A record of use is kept and reported annually.

#### **4.4.2 Overnight Admissions**

- For admissions after regular operating hours. E.g. 11pm – 6:30am
- Must be booked and paid in advance with the Facility Pass & Booking Specialist.
- Requires a minimum of two additional staff members during the hours that staff are not typically scheduled at the Facility Staff Fee (15.1). E.g. 12:00am – 6:30am
- Adult supervisors must be provided by the permit holder.
- Does not give them access to any Aquatic Centres, Arenas, Fitness areas, or Child Minding areas outside of the facility's regularly scheduled public operating hours unless they are rented in conjunction with the admission at an additional fee.

#### **4.4.3 Multi-Visit Cards**

- These Cards allow the cardholder to access a facility up to the maximum number of visits purchased.
- Cards are sold in denominations of 10. Multiple denominations are available.
- Lost or Stolen cards and Key Tags are cancelled and re-issued for an administration fee
- Card holder is responsible for the usage of their card until the appropriate centre is notified of loss or theft and the Card is cancelled.
- The Cards are transferable within the same age category.
- The Cards are non-refundable.
- For family Cards, each family unit receives one Card.
- Cards may be purchased by "Group Homes" and other similar agencies to accommodate the recreation needs of the residents.
- Situations where a customer scanned their All Access 10 visit card at the Dawe to use the pool in the morning and then came to the Collicutt Centre in the afternoon to use the track/fitness centre - This is permitted without having to scan the card twice and remove 2 visits in one day. As per the fees and charges, multi-visit cards provide access to the same facilities and services as the monthly cards. In the rare instance that this would occur, please check report #624 to ensure they did in fact scan their card at

another facility that day and it is the higher valued card. If yes, they don't need to scan their card again, simply give them a wristband. This would not be permitted if they had a Plus or Value pass and tried to come to the Collicutt.

#### **4.4.4 Monthly Cards**

- A customer may pay in advance for up to 12 months.
- If a family plan is purchased, all family members must register as a group in order to have the same expiry date.
- All Cards are non-transferable.
- Lost or stolen cards are reissued for a \$2.00 (GST included) administration fee.
- Cards are purchased for an individual facility and may be used at any lower priced facility. The user will have access only to those facilities and as indicated below.
- Retired City Employees are not permitted to obtain the 40% discount.

**4.4.5 Annual Corporate Card**

- Corporations or employees must pay in full at time of registration.
- Employees must obtain a pass in order for family members to obtain an annual card.
- It is the company’s responsibility to provide written notification if cancelling an employee’s privileges.
- All family members must join the corporations’ card plan at one time.
- An Initial purchase of five (5) or more cards allows a 15% discount.
- To qualify for a discount, the corporation or organization, (including youth group homes) must appoint one representative or agent from the organization to be the main contact.
- Employees must identify themselves as a current employee of the business, (i.e. Paystub, corporate ID or proof of corporate purchasing authority, or a letter verifying employment with the business) before cards will be released.

- Retired corporate employees can access the Annual Corporate rate with documentation from their corporation.
- City employees do not receive the 40% discount on the corporate rate.
- Cards are non-transferable.
- Refunds are permitted if the card holder is acting on their doctor's advice, or if they are moving outside of the market area. A processing fee may be deducted from the refund.
- No refunds are permitted if less than one-month remains on the cards.
- Lost or Stolen cards and Key Tags are cancelled and re-issued for an administration fee.
- Card holder is responsible for the usage of his/her card until the Centre is notified of loss or theft and the card is cancelled.
- Corporate cards provide access to the same facilities and services as Monthly Cards as indicated in section above.
- Cards may be purchased by 'group homes' and other similar agencies to accommodate the recreation needs of the residents. Corporate Annual Family Card allows up to 2 supervisors and 7 residents at one time. Supervisors must remain in the building at all times. One card must be purchased for each home under an agency.
- Contact Recreation Superintendent for pass suspensions if not medical related.

#### 4.4.6 Card Types and Formulas

<b>FORMULAS FOR CALCULATING CARDS BY TYPE</b>		
<b>Type of Card</b>	<b>Base Rate Formula</b>	<b>Fee Example</b>
Single Admission Adult Fee	100%	\$8.00
Adult 10 Multi Visit Card (equal to 8 Single Adult Admissions)	800%	\$64.00
Adult Monthly Cards (equal to 5 Single Adult Admissions)	500%	\$40.00
Adult Annual Corporate Card (Equal to 12 monthly Adult Cards with a 15% discount)	5100%	\$408.00

For the Multi-Visit Cards as well as the Monthly Cards, prices are calculated after convenience pricing is applied.

<b>FORMULAS FOR CALCULATING BUILD YOUR OWN FAMILY CARD</b>		
<b>Category</b>	<b>Example - Base Single Rate</b>	<b>Fee Example</b>
First Adult – Base	\$4.75	\$23.75
Second Adult* 90%	\$4.25	\$21.25

\*\*When added to a Senior Card

For the Build Your Own Family Card, prices are calculated using single admission rates prior to convenience pricing being applied.

#### **4.5 Gift Cards**

- Gift Cards are available in any denomination (over \$3.00) and can be purchased and redeemed at any recreation facility with cashier services. Gift cards are valid for any recreation, parks or culture program, service or admission.
- Gift cards are fully transferable and may be used by any person in possession of the card. Gift cards must be presented at time of redemption.
- Any unused value remains on the gift card.
- Gift card may not be used to purchase another gift card.
- Gift cards have no expiry date, are not redeemable for cash and may not be returned.
- The City is not responsible for lost, stolen or damaged cards, or any unauthorized use.

#### **4.6 Cancellations and Suspensions**

##### **Monthly Cards – Suspensions**

A monthly card can be suspended by completion of a suspension form. Forms are available from cashiers at each facility and must be submitted at least 5 business days (Mon – Fri) before the suspension is to take effect. For customers on the Family Plan or Build Your Own Plan, all family members must suspend as a group. One suspension per monthly card.

##### **Monthly Cards – Non-Renewals**

Customers may choose not to renew their monthly pre-authorized cards by completing a “Non-Renewal Form”. This form is available at the front counter of each facility and must be submitted at least 5 business days (Mon – Fri) prior to customer expiry date. For customers on the Family Plan, if the “first adult” cancels, the “second adult” becomes the “first adult” and will pay the “first adult” rate.

##### **Monthly Cards**

Any changes to months paid in advance can be requested from a Facility Pass & Booking Specialist.

##### **Payment Options**

- Cash, cheques, debit, VISA, MasterCard, Visa Debit, MasterCard Debit, money order, bank draft and gift cards are accepted for admissions and card fees.
- Overdue accounts will be sent to Collections after 60 days unless alternate arrangements have been made with Administration.

## Section 3 – Rental Fees

---

### 6.0 Rental Fee Categories, Definitions, and Practices

#### 6.1 Rental Fee Categories

- **Adult** – The Adult rental rate is considered the ‘Base Rate’ for all Rental fees. It is from this Base Rate that the fees for other categories are determined by applying the specific percentage rate of the identified category as outlined below
- **Youth** – The Youth rental rate will not exceed 60% of the Adult Base Rate
- **Adult Community/Sporting Event/Non-Resident/Commercial** – The Adult Community/Sporting Event/Non-Resident rate will not exceed 130% of the Adult Base Rate
- **Youth Community/Sporting Event** – The Youth Community/Sporting Event rate will not exceed 90% of the Adult Base Rate
- **Special Event** – The Special Event rate will not exceed 150% of the Adult Base Rate
- **Exclusive Day Rate**
  - Day Use – Based on facility being used; lost revenue (calculated using regular youth during prime time and adult rental rates during non-prime time); during the event additional staff charges above regular service levels are considered.
  - Set up/Take down - Based on facility being used; lost revenue (calculated using regular youth during prime time and adult rental rates during non-prime time); additional staffing rates are not applied; additional costs for specialized commissioning/decommissioning are considered.
  - Gate admissions – 10% commission is waived
  - Alcohol commissions still apply
  - Please refer to amenity briefing note for specific facility information
- **Non-prime** – The Non-prime rental rate will not exceed 75% of the Adult Base Rate
- **Pre & Post Season Ice** – The Pre & Post Season Adult base rate will not exceed 130% of Regular Ice Season Adult Base Rate. All other Pre & Post Ice rental rates are calculated using formula applied to the Pre & Post Season Ice Adult base rate.

**6.3 Rental Rates, Fee Increases & Convenience Pricing**

All rental rates listed in this document are based on an hourly rate unless otherwise stated. Rental fees and related items are reviewed regularly with increases applied annually. New fees for rentals and related items are typically in effect September 1<sup>st</sup>, after Council has approved any change through operating budget. All rental fees have been rounded to the nearest \$0.05. All fees are rounded after yearly increases and category formulas are applied.

**6.4 Processes for Casual and Block Bookings**

**Casual Bookings** are one-time bookings or periodic bookings made throughout the year.

**Block Bookings** are one-time booking arrangements that cover an entire booking season and may include daily, weekly, bi-weekly or monthly consecutive bookings.

- Deadlines for block rentals will be made public through various media channels.
- Groups turning back more than 20% of an allocated time will forfeit booking permit and may have to pay for unused booked time. Group will be required to reapply and sign new block booking permit.
- Some bookings do not allow for refunds once the permit is signed.

- All bookings, whether internal or external, shall be covered with a rental permit. Bookings for administrative use may be excluded.
- If a booking consists of only non-resident team(s), the non-resident rate applies regardless of who owns the block booking permit.
- When required cancellation notice is not provided, those groups who pay a subsidized rental rate (i.e. youth groups) will be invoiced for the full adult rate for any time that is booked and not used. The rental permit will be amended to reflect the adult rate.
- Provincial play outside of regular season will be booked as a sporting event.
- Subletting booked space is not permitted

### **Block Booking Procedure**

- Submit application.
- Applications received by the deadline are assessed based on the priorities established for the facility or amenity selected.
- Applications received after the deadline, are processed strictly on a “first-come-first-served” basis for remaining space and time.
- Once space has been allocated, written confirmation will be provided in the form of a rental permit.
- Rental permits must be signed and returned prior to booking deadline. Failure to do so will result in loss of entire booking.

### **General Booking Considerations**

- Bookings for most City facilities are arranged by the Facility Pass and Booking Specialists by calling the Recreation main line. Bookings for the Collicutt Centre (excluding the arena) are arranged by contacting the Collicutt Centre.
- A charge may be levied to non-profit recreation, parks and culture groups and organizations for on-site storage of supplies or equipment if space is available as per the Facility Lease Rate Policy (3152-DA).
- Organizations renting facility space through The City are required to obtain and provide to The City a copy of general liability insurance of not less than \$5 million per occurrence and such insurance shall include The City as an additional insured. This insurance must not have a participant’s exclusion.
- A Statutory Holiday Rate will be charged if a rental is booked on a statutory holiday. A charge will be made for all special event staff or other event costs specifically attributable for that event.
- Food services may be available through facility-specific food services providers. Renters in these facilities may be required to use their services for any food and beverage service. Please see the applicable agreement for each facility.
- Access to Facilities may be limited due to private bookings or special events.
- If a rental group receives permission to use any kind of portable concession, the group will require permits from The City of Red Deer and a food services permit from Alberta Health Services.
- To book a closed, non-staffed facility or amenity, a minimum booking time will be required. Two hours is required for dry space/meeting rooms and three hours is required for ice bookings and aquatics bookings.
- Recreation facilities will support smudging on a case per case basis. This will be dependant on the specific facility in question.

- A deposit may be required.

### **Public Access Considerations**

Safe & Healthy Communities will not allow the use of facility rentable/common public spaces that:

- Imposes or implies conditions that would limit or appear to limit, the ability of The City to carry out its functions fully or impartially.
- Results in The City relinquishing its right to manage and control facilities and services.
- Requires or implies The City's endorsement of a company, commercial product(s) and/or service(s).
- Results in political advertising from any level of government or individual.
- Has been deemed unsatisfactory by the City Solicitor.
- Is inconsistent with equal participation, rights and accessibility for all groups in the community.
- Provides personal benefits to Council, City employees, contractual staff/services and/or family/friends.
- Allows the marketing of, or have any relationship with, including but not limited to: alcohol, tobacco products, pornography, weapons, stereotyping or denigration of individuals or group.
- Ticket/product sales, fundraising and donation requests from not-for-profit community organizations may be permitted at the discretion of the Facility Supervisor. Decisions are based on complimentary facility use and prioritizing customer experience. Static, unsupervised activities are not permitted. Refer to DM # 1070245 clause #3 FPBS
- Encompasses personal training, coaching or instruction unless a space within the facility is rented for this specific purpose.

Safe & Healthy Communities will allow the use of facility rentable/bookable public spaces that:

- Provides community groups and organizations a means for community awareness and education, program promotion and volunteer recruitment.

### **Political or Faith Based Use of Recreation Facilities**

- Common Areas may NOT be rented for Political or Faith Based Activities.
- No Political Activity materials may be worn, distributed, or displayed in any facility at any time by City employees.
- Facilities can be used as voting stations subject to availability.
- Signage and candidate campaign materials are restricted to the specific space rented.
- Members of the public may not be approached, solicited, or petitioned by the renter of a space.

### **Indigenous Ceremony**

- Ceremonies are to be encouraged, welcomed, and anticipated in all areas of City facilities, with the exception of: Any IT/UPS rooms, storage spaces, elevators or stairwells.
- Set-up Notes provided by the Facility Pass & Booking Specialist for facility rentals will advise the Facility Supervisor of Smudging so that smoke alarm systems may be

put into bypass. Staff maybe alerted to manage the potential alarm issue during the smudging.

### **Liquor Regulations**

- Special permission must be granted by The City of Red Deer to allow a designated fenced or tented area for liquor sales and consumption. A Special Event Public Resale License must be obtained from Alberta Gaming and Liquor Commission. These licenses are for community organizations and are not available to individuals. If the permit holder request the sale of any alcohol, prior approval is required and The City will charge 10% of the total gross sales receipts.
- One supervisor for every fifty patrons in attendance plus one for each entrance and exit is required. These supervisors may not be responsible for other tasks such as serving and cleaning. Food services and non-alcoholic beverages must be available.
- The processing of liquor licenses typically takes 6 – 8 weeks. The full liquor license guidelines are available at <https://aglc.ca/liquor/liquor-licences/applying-liquor-licence>
- A Host Liquor Liability certificate showing the City of Red Deer must also be filed with Facility Pass & Booking Specialist prior to any game or function with alcohol service. A minimum of five million dollars liability is required

### **Entandem**

- If you use music (live or recorded) during your event other than AM/FM radio, a license from Entandem may be required. To receive an application/report form or for more information, please call 1-866-944-6223 or visit [www.entandemlicensing.com](http://www.entandemlicensing.com).

### **Insurance**

All rentals of City owned and operated Facilities and Open Space rentals are subject to insurance requirement review, which is based on the nature of the activity, the level of risk involved, and potential impacts on City assets and activity participants. Permit holders are required to produce and maintain, throughout the duration of their rental agreement, proof of sufficient liability coverage.

Liability insurance requirements to include:

- Coverage in the amount not less than Five Million Dollars (\$5,000,000.00).
- Must be exclusive for any one occurrence.
- The City of Red Deer named as an additional insured with address Box 5008, Red Deer, AB Canada T4N 3T4.

The following clauses and coverage must be documented within Certificate of Insurance:

- participant's liability,
- cross liability,
- The Description of Event/Operations must be included as pertinent information for the event.
- Permit holder must provide an insurance certificate no later than 14 days in advance of the booking date.
- All bookings booked under 14 days in advance are required to provide an insurance certificate within two days of the day of booking.
- Failure to provide a copy of the insurance certificate; meeting the above requirements will result in the cancellation of the booking with no refund of the rental charges.

- <https://reddeer.instariskcoverage.com/login> [Login](#)

Permit holder have the option to obtain insurance for their rental through a private insurance broker, or through Instant Risk Coverage (<https://reddeer.instantriskcoverage.com>), a third-party insurance broker. Questions about your insurance coverage or your rates can be directed to the insurance provider, not to The City of Red Deer.

## **6.5 Payments, Cancellations & Refunds**

### **Payments**

Credit card payments can be processed immediately over the phone. Customer can place a credit on their Intelli account in person.

Customer can pay in person at the time of booking at a Recreation Facility with cashier services.

### **8.3 Collicutt Centre Field House and Soccer Pitches Booking Processes**

For information on block booking and casual booking processes see section 6.4 on page 24.

#### **Field House**

The Field House is comprised of three courts, one swing/batting cages, one climbing wall, one bouldering room, one long jump pit. The courts are named: South (S), Centre (C), and North (N).

- The court flooring is Mondo sport flooring and it is designed for multi-sport play – tennis, basketball, and volleyball.
- Centre Court is the only court marked for basketball.
- Children who have not had their 8<sup>th</sup> birthday must be supervised by a person 16 yrs or older.
- Allow 15 minute change over time for different sports, i.e. basketball to volleyball.
- Soccer, lacrosse and football and not permitted in Field House

#### **Soccer Pitches**

- Allow 8 hours to remove the turf and 8 hours to relay the turf.
- This is a chargeable fee to the renter.
- Allow a 30-minute change over time for different sports, i.e. soccer, lacrosse or tennis.

#### **Running Track**

- Contact the Collicutt Centre Facility Pass and Booking Specialist for information.

#### **Climbing Walls**

- One wall is located on Main Street by the main entrance, and one is attached to the South wall inside the Field House.
- During operating hours, the climber must pay a general admission that allows access to the rest of the facility.
- When the Field House climbing wall is rented, the South Court cannot be booked.
- All climbers must sign a liability waiver. If under 18 years of age the waiver must be signed by parent/legal guardian.
- Absolutely no loose chalk is allowed; chalk balls only.
- Climbers must be able to produce a valid Belay Card and picture ID to climb.
- Collicutt staff only permitted to belay during a booking.

#### **Bouldering Room**

- The Bouldering Room is shorter than a climbing wall and is done without the use of harness equipment.
- Bouldering techniques are used as a means to improve moves and build stamina for other types of climbing such as outdoor rock climbing.
- The bouldering room design includes more angles, overhangs and other features that make climbing more challenging.

## 8.4 G.H. Dawe Community Centre Gymnasium and Running Track Booking Processes

## 9.2 Meeting/Activity Room Booking Considerations

- Minimum booking time is one hour.
- Charges apply based on group classification, room size and type of use.
- Events involving food, cake, or beverages (e.g., parties, family gatherings, celebrations) are charged the Special Event Rate.
- Exclusive use of additional amenities is subject to applicable rates.
- Some boardrooms are restricted to adult-only bookings.
- Stakeholders and partners with agreements may be eligible for free room use.
- Included in rental: AV equipment, Wi-Fi (if available), tables, and chairs
- Not included: consumables such as laptops, catering, paper, markers, or copying—these are the responsibility of the host group.
- All activities, equipment, and promotional materials must remain within the booked space. Event promotions must be posted and removed on the event day.
- Room access is limited to facility operating hours. After-hours use may be considered and will include staffing fees and variable booking minimum.
- Paid bookings must be cancelled at least 14 days in advance for a full refund.
- Room capacity is set by Red Deer Emergency Services. Actual occupancy may vary based on layout and equipment setup.

### Internal City Meetings

#### Booking Considerations:

**Room Access Monday-Friday 8:00 AM - 4:30 PM:** Safe & Healthy Communities meeting rooms are offered at no cost for external departments for City of Red Deer meetings, Monday through Friday, from 8:00 AM to 4:30 PM, subject to room availability.

**Booking Process:** Bookings must adhere to internal booking procedures, with a City staff member designated as the organizer and present for the duration of the meeting.

**Operating Hours:** Access is limited to regular facility hours. Requests outside these hours may incur additional staffing fees.

#### Included & Excluded Amenities:

- **Included:** AV equipment, Wi-Fi (if available), tables, and chairs. Facility staff will set up.

- **Not included:** (host department must supply):
  - Consumables: paper, flip chart paper, markers, copying
  - Access to internal network and hardware (e.g., CRDNET devices including laptops)
  - Silverware, coffee, condiments and access to staff kitchen
  - Catering items and food/beverage service; external catering is permitted—not required to use a preferred or exclusive provider. (June 2025)

**Payment for Paid Bookings:** Internal paid rentals must be paid using a department G/L account. Credit card payments are not accepted.

**Cancelations and No Shows:**

- No charge bookings may be cancelled up to and including the rental day to accommodate a paid rental.
- For events that cannot be relocated on short notice (e.g., training, large groups), staff should consider securing a paid rental.
- Free internal bookings must be cancelled at least 14 days.
- No-shows will be charged the full hourly rate per current User Fee Guide.

**Special Considerations:** Safe & Healthy Communities meeting rooms are offered at no cost\* for the following external groups: (may be cancelled to accommodate a paid rental)

- **Provincial or Regional Recreation and Parks Organizations:** Non-profit organizations operating at a provincial or regional level to support recreation and parks programs (e.g., ARPA, AARFP, AAAP, CARA).
- **Local Non-Profit Organizations:** Red Deer-based recreation, parks, and culture organizations when Safe & Healthy Community staff attend in an official, work-related capacity.

\*Monday through Friday, from 8:00 AM to 4:30 PM and evening and weekends with Recreation Supervisor approval

\*\*\* Standing Room Only, 60 Banquet style. 80 theater style.

**Contour Studio** Prior to entrance to this studio, Don Moore Recreation Centre drop-in fees are to be paid at the cashier. This fee is in addition to a current pottery club membership or a City of Red Deer course fee. Proof of course registration or pottery club registration must be provided to have access to Contour Studio. Access is limited to hours of operation that the Don Moore Recreation Centre is opened and staffed. Requests outside of operational hours may be considered, however rental rates will be applied to cover staffing costs. User must sign in with the cashier.

**Collicutt Centre Fitness Studio and Track** The Fitness Studio is available to persons 18 years of age and over. Youth between the ages of 13 and 17 must complete a complimentary safety orientation. Individual must sign up for these due to limited space. Parent/legal guardian signature is required for the youth orientation.

The track is offered as a “family area” and children under the age of 13 are required to be accompanied by a person 16 years of age or older within arm’s reach unless attending a special program/dedicated youth time.

Family time is available according to schedule for 8-12yr olds to have access to the track unsupervised by a guardian or accompanying adult. Track user guidelines in effect.

**G.H. Dawe Community Centre Fitness Room** The fitness room is available to persons 18 years of age and over. Youth between the ages of 16 and 17 must complete a complimentary safety orientation. Parent/legal guardian signature is required at time of registration. No one under age 16 is permitted into the weight room.

**Don Moore Recreation Centre Fitness Room** The Fitness Room is available to persons 18 years of age and over. Youth between the ages of 16 and 17 must complete a complimentary safety orientation. Parent/legal guardian signature is required at time of registration. No one under age 16 is permitted into the weight room.

**Mezzanines and Lobbies** Mezzanine and lobby areas are available for rent when sports surfaces are not in use. Spaces are rented at the established rates for a Large Meeting Room. Mezzanine and Lobby capacities can be located under section 9.1.

**Setters Place Pavilion** During competitions, football games, sport or special events, bookings of the space will be available to other groups or functions. Field booking groups will have first priority to book the space. The pavilion as well as the dressing rooms are included in the field rental only for the time of the field rental. Any bookings using the second floor gathering area will be made aware that noise and/or activity from the third floor will be likely. For exclusive use of other amenities, applicable rates would apply.

**Great Chief Park Hosting Patio** Included with Great Chief Park concession bookings.

**Servus and G.H. Dawe Centre Arena Warm Up Rooms** Included in ice bookings and dry space bookings but can be rented separately at meeting room rates.

**Public Gathering Areas** Designated areas within City facilities may be provided for community use. Further considerations related to Public Gathering Spaces are provided under section 6.4 – Processes for Casual & Block Bookings.

### 10.5 Pool Booking Considerations

- Rentals to groups consisting of children under the age of 8 require the supervision of a person who is at least 16 years old in the water to every 3 children
- If necessary and pre-arranged, additional lifeguards will be provided at cost.
- Rentals of the Collicutt Centre and G.H. Dawe Community Centre Water Parks are allowed only after normal operating hours of that facility. Minimum 2-hour booking. All other usage will be on a drop-in basis (some fee reductions for groups apply)
- The pool supervisor has the right to allow or revoke access to any part of the pool or the pool in its entirety should there be any safety concerns regarding the patron's use of the facility.
- For information on block booking and casual booking processes see section 6.4 on page 25.
